GUARANTEE OF QUALITY

Design Joinery & Doors warrants its manufactured goods to the original purchaser for a period of five years.

Warranty covers materials and workmanship in domestic applications.

Any product manufactured by Design Joinery & Doors from our standard range that fails within the warranty period will be replaced with a comparable product from the current range, provided the defective product has been treated and maintained under the company guidelines.

Liability of claims is limited to the repair or exchange of the product only and excludes reimbursement for any value added work or secondary installation costs.

Design Joinery & Doors reserves the right to repair or replace products at our discretion.

Goods considered for warranty must be returned to Design Joinery & Doors for appraisal for any claims made.

Although Design Joinery & Doors use only the best available natural and man made raw materials, our products are "hand finished" and may display slight surface imperfections, these are not considered a fault.

Guidelines in the assessment of perceived faults/defects/blemishes/natural grain/colour etc can be found in the Housing Industry Assoc. (H.I.A.)- "GUIDE TO KITCHEN AND BATHROOM CONSTRUCTION" -

Edition 2 (2.0 cabinet doors and 5.0 benchtops) Tolerances:- Assessment can be based on viewing and visibly detecting the questioned defect (Scratches, Chips, Markings, Colour) Internally at a minimum distance of 1500mm from the surface in normal daylight conditions. If the product does not meet the H.I.A. standard it will be repaired or replaced at no charge.

CUSTOMER ASSISTANCE

Design Joinery & Doors has a comprehensive showroom and we welcome our customers clients to view our range of products and we will assist them with their selections, expectations and technical advice.

ORDERING & AMENDMENTS

Orders will only be processed on the appropriate order forms and either posted, faxed, e-mailed or delivered to our office.

On receipt of your 'Confirmation of Order' it is important that you check details and sizes and contact our office immediately with any errors or concerns.

Any cancellations , amendments or additions to an order must be forwarded to our office within 48 hours.

The 'Confirmation of Order' will then be reissued to you to recheck all changes / deletions / price changes.

****Any amendments or additions received over the phone only will be entirely at the customers risk.****

RECEIPT OF GOODS

It is very important that on delivery of your order that you and/or your staff carefully check that the order is -

complete and correct.

In an acceptable condition.

Any claims made that the order was incomplete or of a unacceptable condition must be made within 2 working days of delivery.

TRADING TERMS

- . Terms are strictly nett 30 days for account customers.
- . **Non account customers pay a 70% deposit at time of order and the balance on completion.**
- . **Title of goods does not transfer until full payment is received.**
- . **EFTPOS and CREDIT CARD facilities available**

****CREDIT CARD TRANSACTIONS ATTRACT A BANK SURCHARGE****

NOTES:- Design Joinery operates on 10 - 12 working days from signed confirmation date unless otherwise quoted.

*Orders are accepted only via POST, FAX or E-MAIL on flatpack carcass order form with appropriate codes and sizes. A detailed drawing should be supplied with any special units.

* All cabinet components are manufactured from 16mm HMR white satin particle board with 1mm white P.V.C edgestrip (other edgestrip colours are available at a surcharge)*

* Widths can be altered on most cabinets within a 100mm range at no extra cost.
(Pricing is based on next size up)*

Cabinets that exceed standards by more than 70mm in height / 30mm in depth P.O.A

* All cabinets except straight wall units have a 16mm void as standard, however this can be altered to suit your specific application.*

* Assembly screws, shelf pins and TZ20 benchtop fixings are included.*

All floor cabinets are pre-bored to suit a variety of knock-in adjustable legs
(Legs can be ordered separately)

*Drawer units include 16mm drawer bottoms and backs to suit metal sided drawer systems.
Please specify the type you use.

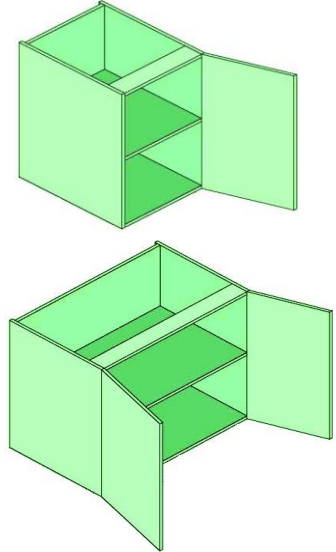

Drawer unit ends are full system bored.

****DOORS & DRAWER FRONTS ON CABINETS ARE FOR ILLUSTRATION PURPOSES ONLY****
