Kennel Sponsorship Program

\$1,000

Looking for a meaningful way to make a difference for our community and for animals in need? Become a Kennel Sponsor at Buddy and Friends Animal Rescue!

When you or your organization become the sponsor of a kennel at Buddy and Friends Animal Rescue, you are playing a vital role in the day-to-day care of animals in need, providing essential care – food, housing, medical care – to all the animals who will stay in your sponsored kennel. As a kennel sponsor you will receive a 5"x7" sign that will be affixed to your sponsored kennel for 12 months, recognizing the way you're making a difference for homeless and at-risk cats and dogs. Signs may be personalized with your name, organizational logo, and/or a logo; or may be personalized in honor or in memory of a friend, loved one or pet.
