

Bertoni Organic Gin is a meticulously crafted spirit that pays homage to the Guarani people of Paraguay. Hand-selected herbs, botanicals, and organic juniper berries are macerated in Legado's organic neutral cane spirit, then distilled in copper pot stills to create a fresh, organic Paraguayan gin. Aged in carefully chosen ex-bourbon barrels for at least 6 months, the gin achieves a perfect balance of woody sweetness and bourbon tones. The master distiller oversees the aging process until the ideal equilibrium is reached. Finally, the resulting elixir is blended to bottling strength using filtered water from the Guarani aquifer.

Recognized for its exceptional quality, Bertoni received a Gold medal ranking and the prestigious 'Best in Class' title for **Organic Certified Distilled Spirits** at the 2022 San Francisco Spirits Competition. Whether enjoyed in a classic gin and tonic, innovative gin cocktails, or even sipped neat over ice, Bertoni's craftsmanship and dedication to organic distillation make it a standout choice for gin enthusiasts.

Bertoni Gin Reposado
(700ML)

Product Specs:

✦ APB 700ML: 6 Bottle Case. SRP \$_____

Shipper Dimensions:

✦ APB 700ML: 11.42"L x 8.27"W x 10.24"T

Bottle Dimensions:

✦ APB 700ML: 9.055"T x 3.543"W

Florida Brand Registration:

✦ APB 700ML: _____

TTB Cola Registration:

✦ APB 700ML: 23108001000931
