CARFIX BUS SEAT HARNESS

The **Carfix Bus Seat Harness** is a behavioural and postural harness for those with limited upper body strength and support.

What is the function of **Carfix Bus Seat Harness** ?

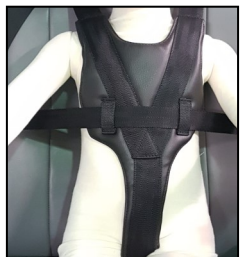

The Bus Harness is used to ensure the occupant is in the correct position for the vehicles seatbelt to work correctly.

This product uses buckles behind the harness to secure it to the seating position, this means they are out of sight and the way of the occupant using the harness.

FEATURES

-  Universal behavioural and postural belt system that can be used in any seat
-  Quick and easy to install and transfer between vehicles
-  Can be opened with the included removal key
-  Machine washable at 40^oC

SPECIFICATIONS

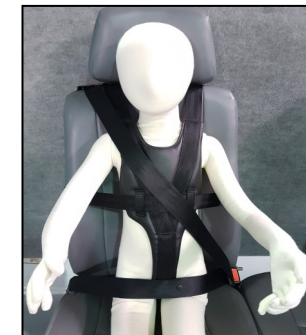

-  **Carfix Bus Seat Harness DOES NOT** replace the vehicle safety belt
-  Materials used are the same that is used for making seatbelts in vehicles

The **Carfix Bus Seat Harness** is to be used in accordance with the vehicle's original seat and seatbelt; meaning it can be installed into a variety of vehicles without any modifications.

Our harnesses are quick to install and can be easily transferred from across vehicles.
