

FOOD FOR THOUGHT!

LIVING BY THE GOLDEN RULES:

Will living by the golden rules get you into heaven? Here are six golden rules:

1. Learn from your mistakes
2. Don't be afraid to ask for help
3. Learn to value others
4. Emulate the right people
5. Take control of your destiny
6. Be honest about what you want

Here are some of the golden rules favorite words?

Respect, honesty, fairness, responsibility, gratitude, maturity, compassion, peace, friendship, kindness, hospitality, and faith.

Even though those rules and words are quality standards to live by, they will not get you into Heaven. ***NO, THEY WILL NOT GET YOU INTO HEAVEN.***

The **ONLY** way we will get into heaven is through Jesus Christ. We must acknowledge we are sinners. We must believe He was born of the virgin Mary, and believe He died on the cross for our sins. And **most importantly**, we must believe He rose from the grave and is alive and living in Heaven with the Father and the Holy Spirit.

Believe in your heart, Know it in your mind, and Speak it with your mouth, that Jesus is your Lord and Savior.
