

GROWTH, EMPOWERMENT & COMMUNITY SPIRIT

Monthly Newsletter

Introduction:

March was a month of meaningful initiatives that strengthened livelihoods, empowered women, nurtured children's education, and inspired young leaders. Each activity brought us closer to building a confident, self-reliant, and hopeful community.

Livelihood Support Initiative

"When livelihoods grow at home, migration reduces, and families grow stronger together."

In partnership with Snehavardhini Social Trust, villagers—especially tribal families—received livelihood resources such as cash crop seeds, vegetable seeds, chickens, goats, and honey boxes

By creating sustainable opportunities locally, families can ensure a better education, health, and nutrition for their children.

Women's Exposure Visit – Kashid Beach

"Empowered women empower communities."

As part of Women's Month celebrations, 215 women visited Kashid Beach. The trip gave them a platform to express themselves, build confidence, and strengthen bonds.

Beautician Training Program

"Passion gives purpose, and skills give direction."

A 5-day training led by Mrs. Nilam introduced adolescent girls and married women to basic beautician skills. Her inspiring journey encouraged participants to explore small-scale entrepreneurship and financial independence.

Women's Day Celebration – Basthasi Village

"Together, women can create powerful change."

On 28th March, nearly 300 women gathered in Basthasi village for a vibrant Women's Day celebration. The event highlighted the strength, unity, and powerful change women can create together.

Young Leaders Visit to Gram Panchayat

"Today's children are tomorrow's leaders."

On 23rd March, 30 students from Khamb and nearby villages—members of the Children's Parliament—visited the Gram Panchayat. They submitted an application on road issues and initiated follow-up actions, learning governance and leadership firsthand.

Play School Graduation & Activities:

"Learning is more meaningful when shared with joy and togetherness."

Graduation Day was celebrated with joy and togetherness, as children received tokens of appreciation. On 18th March, a Fireless Cooking Day brought parents and children together to prepare simple dishes and share quality time.

Hostel Farewell & Parents Meeting

"With the right support, every child can dream big and achieve more."

On 19th March, a farewell program was organised for 10th standard hostel students, alongside a parents' meeting. Seven students appeared for their exams this year, with parents expressing gratitude for the support provided. The students have performed well and are now dreaming of a bright future ahead

Conclusion

"Small steps taken together lead to big changes."

March was truly a month of growth, celebration, and empowerment. From strengthening livelihoods to nurturing women's confidence, supporting children's education, and developing young leaders, every step contributed to a stronger, more resilient community.
