ABOUT US | WHO ARE WE?

QUALITY

HIGH END EQUIPMENT - BEST ON THE MARKET

- Simply put: no one in the Watertown region comes close to offering the high-end equipment that NLE offers. Our set-up includes 2 DJs to make sure everything runs smoothly and efficiently, including an experienced MC who brings the life to the party. Our sound is created with high-pack and low-pack EV speakers at every show (this gives dance music that rich, energetic sound!), with professional-grade global trussing and LED light effects to create the best vibes, access to millions of songs, and knowledge of all the latest trends, games, and music you can dream of. We will create an atmosphere unlike anything else!

PROFESSIONAL

WE VALUE OUR CLIENTS AND OUR REPUTATION

- Our DJs are required to dress professionally, and we proudly hire people who conduct themselves positively and energetically. We understand the business you hire during your event represents who YOU are, and we have done absolutely everything to make sure our company is professional at each dance and after. NLE consults with a legal Attorney/CPA to make sure our company is fully licensed and legal, and of course, in good standing with our community. We know you expect nothing less. We are also fully accredited and insured.

EXPERIENCED

OUR OWNERS HAVE OVER 15 YEARS IN THE ENTERTAINMENT INDUSTRY

- NLE's owners are in this business, first and foremost, because we have a passion for music and dance, and when you love something, you make sure to always do it right. Our DJs have a working knowledge of everything from contemporary hip-hop to ballroom dancing. Whether you like country, oldies, top 40, or the waltz, we will create a playlist that will not only match your taste in music but lures your guests out to the dance floor.
