

## Why We Cannot Give Legal Advice

Since we often deal with legal processes, it makes sense that customers would come to us for advice on certain issues. However, **all employees of the Loving County Clerk's Office are prohibited by law from offering legal advice to customers.**

There are several reasons why this should be the case:

- It is important that clerks remain neutral in the administration of legal matters.
- We cannot determine what is in the best interest of the court user.
- We cannot share information unequally, nor can we give advice or information that favors one side or another in a legal matter.
- Most importantly, only licensed attorneys may give legal advice.

If you are in need of legal advice, we recommend that you contact an attorney.
