CERTIFICATION OF THIRD TEST OF AUTOMATED TABULATING EQUIPMENT USED IN PRECINCT POLLING PLACE

I, Mark Haley, the presiding judge of the precinct do hereby certify that the test of the automated tabulating equipment to be used to count the ballots

for the General Election to be held on Nov. 3, 2026
(name of election) (date of election)

was conducted in said precinct by a pre-audited group of ballots marked to record a predetermined number of valid votes for each candidate and on each measure. The test also included ballots which had votes cast in excess of the number allowed by law in certain races, in order to determine the ability of the automatic tabulating equipment to reject such votes and ballots with other improper votes.

The test was successful and was concluded at 8:15 p.m. on Nov. 3, 2026.
(time) (date)

Mark W. Haley
Signature of Presiding Judge

NOTE TO PRESIDING JUDGE:

If the initial test of the 3rd test was not successful, the count of all ballots is void. The 2nd test must be rerun and the judge shall prepare a written record of the changes to the program, adjustments to the equipment and other actions taken to achieve a successful test and attach to this certification.

The ballots must be recounted after a successful 2nd test. If the initial test of the 3rd test is not successful again, the ballots may be manually counted and/or counted on another precinct ballot counter.

Return this form to the general custodian of election records with test materials.
