

TRAVEL INSURANCE POLICY

It is important to consider that your own domestic health insurance may not cover you outside of your home country. Depending on your destination, local medical facilities may require proof of insurance before they administer any treatment, or they may not have the resources to treat you properly, thus requiring a medical evacuation. Nurses with Purpose, Inc. provides international medical insurance for each volunteer on a temporary basis during the medical mission when you are outside of your home country.

COVERAGE:

Patriot International *LITE*

INPATIENT OR OUTPATIENT SERVICES

PRESCRIPTION DRUGS

MEDICAL EMERGENCY SERVICES

Highlights:

- Maximum Limits up to \$1,000,000
- Deductible from \$0-\$2500
- Extensions: Up to 24 continuous months

This optional service is recommended on an individual basis ranging from \$35-\$45 per person dependent on quoted amount and will be billed separately upon receipt of this form.

I have been provided with the necessary information and acknowledge that I am aware of the recommended travel insurance coverage.

I opt **out** of purchasing insurance through Nurses with Purpose, Inc.

Name: _____ Signature: _____ Date: _____

I opt **in** and will pay for medical insurance that Nurses with Purpose, Inc. provide for their volunteers.
