

To Whom it may concern;

This is a notice to inform you that, Nurses with Purpose, Inc. is a tax-exempt registered nonprofit 501(c)(3) from the United States of America. Our participants are professional registered nurses that will be providing humanitarian work with local NGO organizations within the city limits. All items that are brought into the country are not to be re-sold or made for profit. All items are charitable items of medical and essential benefit to local partners and their beneficiaries.

We thank you for allowing our transition to be smooth and free from tariffs and/or fees per individual.

If there are any question and/or concerns, please have participant along with supervising officer contact the CEO of Nurses with Purpose, Inc. immediately.

Stay healthy and safe!

With Respect,

*Elaine Alston*
