About the Author

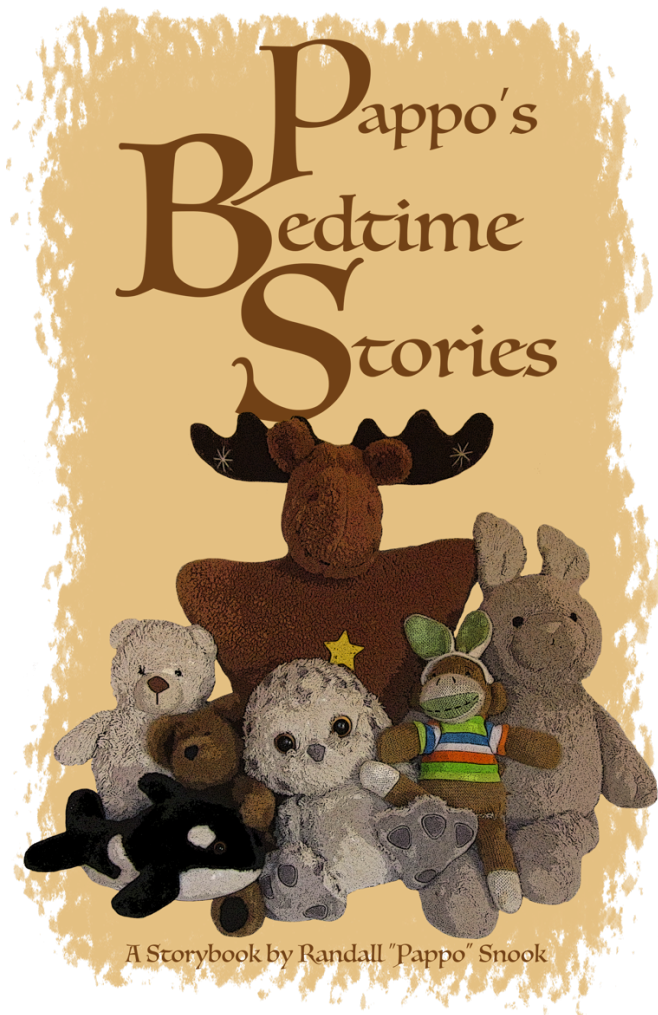

Randall "Pappo" Snook is a grandparent to two little boys who he has had the pleasure of taking care of since they were born. He was a Respiratory Therapist for 43 years and when he retired, the opportunity to take care of his grandkids just seemed like the natural thing to do.

Bedtime with Snook's grandsons has always been story time. Sometimes, they read together. And sometimes he makes up stories to entice the imagination of his grandsons. "Pappo's Bedtime Stories" is a collection of some of the tales of adventure.
