### About the Author

Randall "Pappo" Snook, a Louisville, KY resident, is a grandparent to two little boys who he has had the pleasure of taking care of since they were born. He was a Respiratory Therapist for 43 years and when he retired, the opportunity to take care of his grandkids just seemed like the natural thing to do.

Bedtime with Snook's grandsons has always been story time. Sometimes, they read together. And sometimes he makes up stories to entice the imagination of his grandsons. "Pappo's Bedtime Stories" is a collection of some of those adventurous tales. Snook, known for his stained glass window art, now works in pottery and loves sharing this art form with his grandsons. One piece, titled "The Tower," is featured in the book.
