2.1.1 The Declarant may from time to time convey real and personal property to the Association, or grant easements to the Association to be held by the Association as Common Property. The Association hereby covenants and agrees to accept from the Declarant, and shall be deemed to automatically accept, all such conveyances of Common Property.

2.1.2 It is contemplated by the Declarant that the Declarant may convey to the Association Common Property for scenic and natural area preservation, recreational use and landscape maintenance. The Declarant may, at Declarant's sole discretion, modify, alter, increase, reduce and otherwise change the Common Property contemplated to be conveyed to the Association in accordance with this Declaration at any time prior to conveyance of such Common Property to the Association.

2.1.3 In addition to the property described in Section 2.1.2, the Declarant may convey to the Association in accordance with this Section 2.1.3 such other real and personal property as the Declarant may determine to be necessary or proper for the completion of the Subdivision.

2.1.4 Notwithstanding any legal presumption to the contrary, the fee title to, and all rights in, any portion of the Submitted Property owned by the Declarant and designated as Common Property, future Common Property or designated for public use shall be reserved to the Declarant until such time as the same shall be conveyed to the Association or to any third party, municipality or other governmental body, agency or authority.

2.2 Right of Enjoyment. Every Owner shall have a right and easement to use and enjoy the Common Property, which right and easement shall be appurtenant to and shall pass with the title to every Lot upon transfer; provided, however, that no Owner shall do any act which interferes with the free use and enjoyment of the Common Property by all other Owners. The Association may permit persons who are not Owners to use and enjoy part or all of the Common Property subject to such limitations, and upon such terms and conditions as it may from time to time establish. The right of the Association to permit persons who are not Owners to use and enjoy part or all of the Common Property, includes the right of the Association to establish different categories of rights to use the Common Property, including varying rights for residents of the Subdivision, of adjoining subdivisions, and of others. The right and easement of enjoyment granted or permitted by this Section 2.2 is subject to suspension by the Association as herein provided.

2.3 Rights of the Association. The rights and privileges conveyed in Section 2.2 hereof

shall be subject to the right of the Association acting through the Board to: (a) promulgate rules and regulations relating to the use, operation and maintenance of the Common Property; (b) borrow money for the purpose of carrying out the activities of the Association, and maintenance of Common Property, and in aid thereof to encumber by deed to secure debt, mortgage or other security interest any or all of the Association's property including Common Property and revenues from Assessments, user fees and other sources; provided, however, that during the period after the time when, the Declarant's right to appoint members of the Board has expired, the Association shall not deed, grant or convey to anyone any mortgage, deed to secure debt or other security interest on or in Common Property constituting real estate without approval by the Declarant and a two-thirds vote; (c) grant easements or rights-of-way over Common Property to any municipality or other governmental body, agency or authority, to any quasi-public agency or to any utility company or cable television system; (d) dedicate or transfer all or any part of the Common Property or interests therein to any part of the Common Property or interests therein to any municipality or other governmental body, agency or authority for such purposes and subject to such provisions and conditions as may be agreed upon by the Association and such grantee, including a provision that such property or interest shall, if such dedication or transfer is approved by a two-thirds vote, cease to be subject to this Declaration or all or any part of the Restrictions while held by any such municipality or other governmental body, agency or authority; (e) charge reasonable fees in connection with the admission to and use of its facilities or services; provided that in setting any such fee the Board may establish reasonable classifications which shall be uniform within each such class but need not be uniform between such classes; (f) suspend, pursuant to Section 3.5, the voting rights of any Owner and the right of enjoyment granted or permitted by Section 2.2; (g) sell, lease or otherwise convey all or any part of its properties and interests therein; and (h) enforce all applicable provisions of valid agreements of the Association relating to the Common Property or any part thereof.

2.4 Types of Common Property. At the time of the conveyance of any real property or grant of easement by the Declarant to the Association to be used as Common Property, the Declarant shall designate in the deed of conveyance or easement that such real property is to be Common Property, and further may, subject to the applicable zoning ordinances of Henry County, Georgia, designate in the deed of conveyance or easement the specific or general purpose or purposes for which such real property or portion thereof may be used, and in such event, such real property or portion thereof shall not, without a two-thirds vote and consent of the Declarant, be used for any different purpose or purposes.

2.5 Delegation of Use. Any Owner may delegate to the members of his family or his tenants who reside on a Lot, in accordance with the By Laws, his right to use and enjoy the Common Property.

ARTICLE III - THE ASSOCIATION

3.1 Purposes, Powers and Duties of the Association. The Association shall be formed as a non-profit corporation for the sole purpose of performing certain functions for the common good

and general welfare of the inhabitants of the Subdivision. To the extent necessary to carry out such purpose, the Association (a) shall have all of the powers of a corporation organized under the Georgia Nonprofit Corporation Code; and (b) shall have the power and duty to exercise all of the duties and obligations of the Association as set forth in this Declaration.

3.2 Membership in the Association. Every Owner shall automatically be a member of the Association and such membership shall terminate only as provided in this Declaration or the By Laws of the Association.

3.3 Classes of Membership; Voting Rights. The Association shall have two classes of voting membership: Class A and Class B.

(a) Class A.

The Class A Members shall be all those persons holding an interest required for membership in the Association as specified in Section 3.2, except for those persons who are Class B Members. Until such time as the Class A Members shall be entitled to full voting privileges, as hereinafter specified, the Class A Membership shall be a non-voting membership except as to such matters and in such events as are hereinafter specified.

The Class A Members shall be entitled to full voting privileges on the earliest of the following dates to occur: (i) the date which Declarant may so designate by notice in a writing delivered to the Association; or (ii) one year after the date on which Declarant no longer owns any property within the Subdivision Property; or (iii) December 31, 2015. Before the earliest of these dates to occur, the Class A Members shall be entitled to vote only on any proposal of merger, consolidation or dissolution of the Association or on any other matter for which it is provided by law that approval of each and every class of membership of the Association is required.

When entitled to vote, Class A Members shall be entitled to cast one vote for each lot in which they hold an interest required for membership. When more than one person holds such interest in any lot, all such persons shall be Members. The vote for such lots shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such lot shall not be counted.

(b) Class B.

The Class B Member shall be the Declarant. Class B Membership shall be a full voting membership and, during its existence, the Class B Member shall be entitled to vote on all matters and in all events. At such time as Class A Members shall be entitled to full voting privileges, as provided in paragraph (a) above, the Class B Membership shall automatically terminate and cease to exist, and Declarant shall become a Class A Member insofar as it may own lots in the Subdivision.

3.4 Board of Directors.

3.4.1 The affairs of the Association shall be managed by the Board. The number of Directors and the method of election of Directors shall be as set forth in the By Laws.

3.4.2 The Board of Directors are empowered to borrow funds for the operation, maintenance and further development of property titled in the name of the Association. Said loans may be paid from the assessments levied under Article IV hereof.

3.4.3 The Board of Directors may authorize the payment of salaries to its members and the reimbursement of out-of-pocket expenses and travel expenses of its members that are incurred for the benefit of the Association.

3.5 Suspension of Membership. The Board may suspend the voting rights of any Owner and the right of enjoyment of the Common Property of any person who (a) shall be subject to the "Right of Abatement" (as defined in Section 8.2) by reason of having failed to take the reasonable steps to remedy a violation or breach of either the Restrictions or the Design Standards within thirty (30) days after having received notice of the same pursuant to the provisions hereof; (b) shall be delinquent in the payment of any Assessments; or (c) shall be in violation of the rules and regulations of the Association relating to the use, operation and maintenance of the Common Property. Such suspension shall be for the balance of the period in which such Owner or person shall remain in violation, breach or default, as aforesaid, except that in the case of a violation described in subsection (c) of this Section 3.6, the suspension may be for a period not to exceed sixty (60) days after the cure or termination of such violation. No such suspension shall prevent an Owner's ingress to or egress from his Lot.

3.6 Termination of Membership. Membership shall cease only when a person ceases to be an Owner.

3.7 Voting Procedures. The procedures for the election of Directors of the Association and the resolution of such other issues as may be brought before the Owners shall be governed by this Declaration, the Georgia Nonprofit Corporation Code, the Articles and the By Laws.

3.8 Control by Declarant. Notwithstanding any other language or provision to the contrary in this Declaration, in the Articles or in the By Laws, the Declarant hereby retains the right to appoint and remove any member or members of the Board and any officer or officers of the Association until such time as the first of the following events shall occur (a) until one (1) year after the sale of the last lot for construction of all proposed lots to be developed on the Property described in Exhibit "A" hereto attached; or (b) the surrender by Declarant of the authority to appoint and remove directors and officers by an express amendment to this Declaration executed and recorded by Declarant. Upon the expiration of the period of Declarant's right to appoint and remove directors and officers of the Association pursuant to the provisions of this Section 3.9, such right shall automatically pass to the Owners, including Declarant if Declarant then owns one or more Lots. A special meeting of the

Association shall be called at such time. At such special meeting, the Owners shall elect a new Board which shall undertake the responsibilities of the Board and Declarant shall deliver to the newly elected Board the books, accounts and records, if any, which Declarant has kept on behalf of the Association. Each Owner, by acceptance of a deed to, or other conveyance of a Lot vests in Declarant such authority to appoint and remove directors and officers of the Association as provided in this Section 3.9. The Association may exercise any other right or privilege given to it expressly by this Declaration or by law and any other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

3.9 Meetings. No meeting of the Association can take place unless at least one member of the Declarant is present and empowered to vote in behalf of the Declarant. Until the Declarant has surrendered its voting rights, any action taken by the Association at which a member of the Declarant was not present and empowered to vote shall be void.

ARTICLE IV - ASSESSMENTS

4.1 Covenant for Assessments and Creation of Lien and Personal Obligation. The Declarant, to the extent that Declarant is an Owner, hereby covenants and agrees, and each Owner, jointly and severally, for himself, his heirs, legal representatives, successors and assigns, by acceptance of a deed for a Lot, whether or not the covenants contained herein shall be expressed in any such deed, hereby covenants and agrees as follows: (a) assessments shall only be levied against those lots with completed residential dwellings; (b) upon the completion and sale of a dwelling to the owner of said dwelling to pay those assessments to be levied; (c) to pay to the Association the annual Assessments which may or shall be levied by the Association pursuant to this Declaration against all Lots owned by him; (d) to pay to the Association any special Assessments for capital improvements and other charges which may or shall be levied by the Association pursuant to this Declaration against all Lots owned by him; (e) that there is hereby created a continuing charge and lien upon all Lots owned by him against which all such Assessments are made to secure payment of such Assessments and any interest thereon as provided herein and costs of collection, including reasonable attorney's fees; (f) that such continuing charge and lien on such Lots binds such Lots in the hands of the then Owner, and the Owner's heirs, devisees, legal representatives, successors and assigns. Such charge and lien is subordinate to any and all charges, liens or encumbrances which may hereafter in any manner arise or be imposed upon such Lots whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage, deed to secure debt or other instrument, except (i) such liens for taxes or other public charges as are by applicable law made superior; and (ii) all deeds to secure debt given to secure a loan the proceeds of which are used (A) to purchase a Lot or Lots (together with any and all Structures which may from time to time be placed or located thereon) and (B) to finance the construction, repair or alteration of Structures; (e) that no sale or transfer at foreclosure or in lieu of foreclosure shall relieve any Lot or Lots from liability for any Assessment thereafter assessed; and (f) that all annual and special Assessments (together with interest thereon as provided in this Declaration and costs of collection including

reasonable attorney's fees) levied against any Lot or Lots owned by him during the period that he is an Owner shall be (in addition to being a continuing charge and lien against such Lot or Lots as provided in this Declaration) a personal obligation which will survive any sale or transfer of the Lot or Lots owned by him; provided, however, that such personal obligation for delinquent Assessments shall not pass to an Owner's successor-in-title unless expressly assumed by such successor.

4.2 Purpose of Assessment. The Assessments levied by the Association shall be used exclusively for the purpose of providing for the common good and general welfare of the inhabitants of the Subdivision, including, but not limited to, security services and systems, landscape maintenance of common property and subdivision entrance, the acquisition, construction, improvement, maintenance and equipping of Common Property, the enforcement of the Restrictions, the enforcement of the Design Standards, the payment of operating costs and expenses of the Association and the payment of all principal and interest when due on all debts owed by the Association.

4.3 Accumulation of Funds Permitted. The Association shall not be obligated to spend in any calendar year all the sums collected in such year by way of annual Assessments or otherwise, and may carry forward, as surplus, any balances remaining; nor shall the Association be obligated to apply such surplus to the reduction of the amount of the annual Assessments in any succeeding year, but may carry forward from year to year such surplus as the Board may deem to be desirable for the greater financial security of the Association and the effectuation of its purposes.

4.4 Annual Assessment. Each year the Declarant will set the annual Assessment. Unless otherwise stated, said annual assessment shall be due and payable within thirty (30) days from the date the annual assessment is set. Annual Assessments may be amended by Declarant at any time without notice to the Owners or members of the Association.

4.5 Special Assessment for Capital Improvements. In addition to the annual Assessments authorized by this Article IV, the Association may levy, in any Assessment year and with such frequency as the Association shall deem necessary, special Assessments for the purpose of paying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement on the Common Property.

4.6 Assessment Procedure.

4.6.1 The Board shall establish the annual Assessment for each Assessment Year at an amount not in excess of the maximum annual assessment as determined by the provisions of this Article IV, and shall also establish the date during the Assessment Year on which the annual Assessment shall be due and payable (such date is hereinafter referred to as the "Due Date"). The Board shall cause the Association to send to each Owner in which assessments are applicable, at least thirty (30) days in advance of the Due Date written notice setting forth the amount of the annual Assessment and the Due Date. The annual Assessment shall become due on the thirtieth (30th) day following such written notice or the Due Date, whichever is later. The Board may establish

reasonable payment procedures to allow or require payment of the annual Assessment in installments during the Assessment Year. The Board shall also establish payment procedures for payment of any special Assessments which may be levied in accordance with the provisions of this Article IV.

4.6.2 All Owners shall be given written notice by the Board not less than ten (10) nor more than thirty (30) days in advance of any meeting of the Owners at which the Board shall propose taking action pursuant to Section 4.5. For the purposes of this Section 4.6, the presence of Owners or of proxies entitled to cast fifty (50) percent of all of the votes shall constitute a quorum. If the quorum required by this Section 4.6.2 is not present at such meeting, a second meeting may be called by the Board subject to the same notice requirement.

4.7 Uniform Rate of Assessment. Both annual and special Assessments must be fixed at a uniform rate for all Lots.

4.8 Effect of Nonpayment of Assessment. Any annual Assessment which is not paid on or before the Due Date and any special Assessment which is not paid on or before the date set by the Board shall bear interest after the Due Date with respect to annual Assessments or the date set by the Board with respect to special Assessments, at the lower of the highest legal rate of interest which can be charged or the rate of eighteen (18) percent per annum or at such rate as the Board may from time to time establish; provided, however, that in no event shall the Board have the power to establish a rate of interest in violation of the laws of the State of Georgia. In the event of default in the payment of any one or more installments of an Assessment, the Board may declare any remaining balance of the Assessment at once due and payable. In the event that an Owner shall fail to pay fully any portion of any assessment prior to the date on which payment is due, such unpaid portion (including any remaining balance declared immediately due and payable in accordance with the preceding sentence), together with interest and costs of collection including reasonable attorney's fees, shall be a binding personal obligation of such Owner, as well as a lien on such Owner's Lot enforceable in accordance with the provisions of this Declaration.

4.9 Certificate of Payment. Upon written demand by an Owner, the Association shall within a reasonable period of time issue and furnish to such Owner a written certificate stating that all Assessments (including penalties, interest and costs, if any) have been paid with respect to any Lot owned by said Owner as of the date of such certificate, or that all Assessments, interest and costs have not been paid, setting forth the amount then due and payable. The Association may make a reasonable charge for the issuance of such certificate. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with regard to any matter therein stated as between the Association and any bona fide purchaser of, or lender on, the Lot in question.

4.10 Approval by Declarant. Notwithstanding anything to the contrary contained herein, no Assessment shall be made without the approval of Declarant for so long as Declarant has the right to appoint officers and directors of the Association.

ARTICLE V

ARCHITECTURAL CONTROL

5.1 Architectural Control Committee - Creation and Composition.

5.1.1 The Architectural Control Committee shall consist of not less than three (3) nor more than five (5) individuals; provided, however, that the Architectural Control Committee shall always have an uneven number of members. Notwithstanding anything to the contrary contained herein, all members of the Architectural Control Committee shall be appointed by the Declarant until the last lot of all proposed to be developed on the property described in Exhibit A has been developed and sold. Upon the expiration of Declarant's right to appoint members of the Architectural Control Committee, all members of the Architectural Control Committee shall be appointed by the Board. All costs of operating the Architectural Control Committee shall be borne by the Association.

5.1.2 Each initial member of the Architectural Control Committee shall be appointed for a term expiring on December 31, 2001. Thereafter each member of the Architectural Control Committee shall be appointed for a calendar-year term. If any vacancy shall occur in the membership of the Architectural Control Committee by reason of death, incapacity, resignation, removal or otherwise, the remaining members of the Architectural Control Committee shall continue to act and such vacancy shall, subject to the provisions of Section 5.1.1, be filled by the Board at the earliest possible time. Any Architectural Control Committee member may resign at any time by giving written notice of such resignation to the Chairman of the Architectural Control Committee and such resignation shall take effect on receipt thereof by the Chairman. Any member of the Architectural Control Committee may be removed at any time with or without cause by the Declarant (or Board if at such time the Board has the right to appoint members of the Architectural Control Committee).

5.2 Purposes, Powers and Duties of the Architectural Control Committee. The purpose of the Architectural Control Committee is to assure that any installation, construction or alteration of any Structure on any Lot shall be submitted to the Architectural Control Committee for approval: (a) as to whether the proposed installation, construction or alteration complies with the Design Standards and is in conformity and harmony of external design and general quality with the existing standards of the neighborhood and with the standards of the Subdivision; and (b) as to the location of Structures with respect to topography, finished ground elevation and surrounding Structures. To the extent necessary to carry out such purpose, the Architectural Control Committee shall have all the powers and duties to do each and every thing necessary, suitable, convenient or proper for, or in connection with, or incidental to, the accomplishment of such purpose, including, without being limited to, the power and duty to improve or disapprove plans and specifications for any installation, construction or alteration of any Structure on any Lot.

5.3 Officers, Subcommittees and Compensation. The members of the Architectural

Control Committee shall appoint a Chairman from among their number and may appoint from among their number such other officers and subcommittees of members of the Architectural Control Committee as they shall from time to time determine necessary. The members of the Architectural Control Committee shall be reimbursed by the Association for traveling expenses and other out-of-pocket costs incurred in the performance of their duties as members of the Architectural Control Committee.

5.4 Operations of the Architectural Control Committee.

5.4.1 Meetings. The Architectural Control Committee shall hold regular meetings at least once every three (3) months or more often as may be established by the Architectural Control Committee. Special meetings may be called by the Chairman and shall be called by the Chairman upon the written request of a majority of the members of the Architectural Control Committee then in office. Regular and special meetings of the Architectural Control Committee shall be held at such time and at such place as the Architectural Control Committee shall specify. Notice of each regular or special meeting of the Architectural Control Committee shall be mailed or hand delivered to each member thereof at his residence or usual place of business at least three (3) days before the day the meeting is to be held. Notice of regular and special meetings need not specify the purpose or purposes for which the meeting is called. Notice of a meeting need not be given to any member of the Architectural Control Committee who signs a waiver of notice either before or after the meeting. Attendance of a member of the Architectural Control Committee at a meeting shall constitute a waiver of any and all objections to the place of the meeting, the time of the meeting or the manner in which it has been called or convened, except when the member states, at the beginning of the meeting, any such objection or objections to the transaction of business. At each meeting of the Architectural Control Committee, the presence of a majority of the members then in office shall constitute a quorum for the transaction of business. Except as otherwise provided herein the act of the majority of the members of the Architectural Control Committee present at any regular or special meeting thereof at which a quorum is present shall constitute the act of the Architectural Control Committee. In the absence of a quorum, any member of the Architectural Control Committee present at the time and place of the meeting may adjourn the meeting from time to time until a quorum shall be present. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally called. The Architectural Control Committee shall maintain both a record of notes and minutes for each of its meetings. The Architectural Control Committee shall make such records and minutes available at reasonable places and times for inspection by Owners. Any action required to be taken at a meeting of the Architectural Control Committee, or any action which may be taken at a regular meeting of the Architectural Control Committee, may be taken without a meeting if written consent, setting forth the action taken, shall be signed by all the members of the Architectural Control Committee. Such consent shall have the same force and effect as a unanimous vote, and may be stated as such in any document filed by the Architectural Control Committee.

5.4.2 Activities. (a) The Architectural Control Committee shall adopt and promulgate the Design Standards and shall, as required, make findings, determinations, rules, and orders with

respect to the conformity with the Design Standards or plans and specifications submitted to the Architectural Control Committee for approval pursuant to the provisions of this Declaration. The Architectural Control Committee shall, as required, issue permits, authorizations, or approvals, which may include specified requirements or conditions, pursuant to the provisions of this Declaration; and (b) any two (2) or more members of the Architectural Control Committee may be authorized by the Architectural Control Committee to exercise the full authority of the Architectural Control Committee with respect to all matters over which the Architectural Control Committee has authority as may be specified by resolution of the Architectural Control Committee, except with respect to the adoption or promulgation of the Design Standards. The unanimous action of the two (2) or more members with respect to the matters specified shall be final and binding upon the Architectural Control Committee and upon any applicant for an approval, permit or authorization; subject, however, to review and modification by the Architectural Control Committee on its own motion or appeal by application to the Architectural Control Committee as provided in Section 5.4.2. Written notice of the decision of such two (2) or more members shall, within five (5) working days thereof, be given to any applicant for an approval, permit or authorization. The applicant may, within ten (10) days after receipt of notice of any decision which he deems to be unsatisfactory, file a written request to have the matter in question reviewed by the Architectural Control Committee. Upon the filing of any such request, the matter with respect to which such request was filed shall be submitted to, and reviewed promptly by, the Architectural Control Committee, but in no event later than thirty (30) days after the filing of such request. The decision of the majority of the members of the Architectural Control Committee with respect to such matter shall be final and binding.

5.5 Submission of Plans and Specifications. No Structure shall be commenced, erected, placed, moved onto or permitted to remain on any Lot nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance of the Structure or Lot, unless two (2) sets of plans and specifications therefor shall have been submitted to and approved in writing by the Architectural Control Committee.
