

Some Tips for You with

We humbly ask for your continued patience as we are still navigating the big change to a new software provider. Our goal is to make everything more simple and easy for both our staff and our clients, but there are a few headaches with the switch.

Features we're excited about...

- Accounts are organized by family, with one parent being the administrator of the account. All family members should be listed under relationships, with correct relation to account administrator, and correct person listed as paying.
- Please edit each family member's profile as completely and accurately as possible, including signing our digital waiver.
- Kinetic Ninja Warrior App: We now have our own App! Please search Kinetic Ninja Warrior in your app store. See all your family member's schedules, remaining passes, and past visits all in one place! Click on My Profile and choose the person in your family for whom you'd like to make reservations, edits, or purchases. If the app is malfunctioning, try a pc or email us to help.
- Earn rewards for registering your account, making purchases at our facility, attending classes, and a lot more! Use your rewards to get guest passes, KNW stickers, t-shirts, class passes, and discounts on our programs!

Auto renewal of Memberships: All memberships are set for auto renewal 30 days after purchase UNLESS you opt out of auto renewal.

Please don't hesitate to contact us if you're having trouble with registering or logging into your account.

Email paularobertsmorrison@gmail.com if you need any assistance!

NOVEMBER
2023
