

Pandemic Procedures

Per CDC Guidelines

Protect the Vulnerable

- **KYA/KNW facility is open by APPOINTMENT ONLY to minimize risk. Please ALWAYS make an appointment.**
- **Our lobby is OPEN for observation provided we stay within CDC guidelines of 40 maximum people in our facility.**
- **Parents and caregivers in the lobby for observation are required to wear masks except “mask optional” times.**
- **Parents and caregivers should maintain 6 ft of distancing from non-household folks at all times within the facility.**

Screen for Symptoms

- **Do your Health Check PRIOR to coming! All staff and people entering facility must pass Health Check.**
- **Our staff will check you in AT THE DOOR of our facility. Our staff will take temperatures with touchless thermometer.**

Promote Healthy Hygiene

- **We'll provide hand sanitizer and disinfectant cloth for wiping shoes.**
- **Disinfecting of facility and equipment will be done before use, following use, and prior to closure.**
- **Physical distancing will be required at all times. All programs will operate with no physical contact, except for safety emergencies.**
- **Phones/water bottles should be disinfected PRIOR to entering facility, or left outside the facility.**
- **Masks required for ages 6 yrs+ and all staff. Tues/Thurs 7:30-9pm are MASK OPTIONAL for participants.**

Communicate with Staff/Families/Local Health Authorities

- **If positive novel corona virus cases are identified within our facility, we will communicate with local health authorities and follow all guidance from local authorities in regards to affects on our operations. KYA/KNW are committed to the health and safety of our community.**
