

# shifting the stigma around mental health

saturday **JUNE 17**

## About Shifting Gears...

On December 7, 2017, the unimaginable happened. Regan Johnson, our beloved 16 year-old daughter, took her own life. In the aftermath - Shifting Gears for Regan was born. From day one, we made it our mission to educate parents & teens in an effort to keep even one more family from experiencing this nightmare.

Shifting Gears for Regan has reached over 12,000 students in the KC area with our #GiveMe20 workshops - a suicide prevention program helping kids & adults alike to find their light. We are proud to fund Sources of Strength (SOS) in our area schools. SOS utilizes a strength-based, upstream approach to foster positive mental health & prevent suicide, violence, bullying, and substance abuse. We are saving lives with both of these programs. Additionally, we continue to beautify our Shifting Gears Butterfly Garden - a space that instills hope and healing while connecting with nature.

With your support, Shifting Gears will continue funding & developing suicide awareness and prevention initiatives throughout the area. Learn more about these programs at [ShiftingGearsForRegan.com](http://ShiftingGearsForRegan.com).

Shifting Gears For Regan is a donor advised fund under Miami County Community Foundation, a 501 (c)(3) organization.

# sponsorship opportunities

With your support, Shifting Gears will continue funding & developing suicide awareness and prevention initiatives throughout the area.
