shifting the stigma

around mental health

saturday **JUNE 22**

About Shifting Gears for Regan...

Created in the aftermath of losing a child to suicide in 2017, our mission is to educate parents & teens in an effort to keep even one more family from experiencing this tragedy.

Shifting Gears for Regan has reached over 15,000 students in the KC area with our #GiveMe20 workshops - a suicide prevention program helping kids & adults alike to find their light and remember why life is worth living. We are proud to fund Sources of Strength (SOS) in area schools. SOS uses a strength-based approach to foster positive mental health & prevent suicide, bullying, and substance abuse. Both of these programs are saving lives. Additionally, we continue to fund the Paola Community Garden while beautifying our Shifting Gears Butterfly Garden - a space that instills hope and healing while connecting with nature. Learn more about these programs at ShiftingGearsForRegan.com.

With your support, Shifting Gears will continue funding & developing suicide awareness and prevention initiatives throughout the area.

Shifting Gears For Regan is a donor advised fund under Miami County Community Foundation, a 501 (c)(3) organization.
