**Subject:** Sponsorship Request for Youth Program

Dear Future Supporter,

On behalf of Tri-Community Youth Sports (TCYS), a registered 501(c)(3) nonprofit organization dedicated to empowering local youth through education, sports, and community engagement, I am reaching out to seek your support for the upcoming 2026 season.

Our organization proudly serves youth ages 5–14 from the Central Dauphin East School District, providing opportunities for athletic development, mentorship, and community connection. Many of the young people in our program come from underserved areas and rely on TCYS for access to structured programs that promote teamwork, discipline, and personal growth.

Each year, we reach out to businesses in our community to support our team through sponsorship. Sponsorships help us budget for many expenses throughout the year, including:

- Purchases of equipment and uniforms
- Field and facility maintenance
- Keeping sports affordable for families and providing opportunities for low-income families
- Paying our local referees and officials

Your sponsorship would directly support these efforts and make a meaningful impact on the experience of the young athletes we serve. As a sponsor, your group would receive prominent recognition on our website, social media, and event materials, as well as the gratitude of countless families who benefit from your generosity.

I have attached a copy of the sponsorship tier sheet for the 2026 season, which details the different sponsorship levels and recognition opportunities available. We would be honored to discuss sponsorship opportunities that align with your organization's community impact goals.

Thank you for considering this opportunity to invest in the youth of our community. I would welcome the opportunity to meet or speak with you at your convenience to share more about our mission and how your partnership can help drive it forward.

Warm regards,

*Christopher Allen*
