

LILIBRIDGE®

HAND-DRAWN. ORIGINAL PRINTS.

SPRING 2025

ABOUT LILIBRIDGE

Boston-based & co-founded by women, Lilibridge® launched in the summer of 2019 with a single beach bag in 5 different designs. The hallmark of the brand was, and still is, the original artwork of co-founder, Vanessa Douglas. Fun and vibrant, her print designs are inspired by her love of the Bahamas, the sea and life on the East Coast.

All Lilibridge products are created from hand-drawn, screen-printed original designs. We feature an array of beach-inspired accessories in a variety of natural fabrics.

HOW TO SELL LILIBRIDGE

What Works Well...

- Well-stuffed, propped up bags displayed together
- A mix of prints creates a powerful visual that captures attention

What Doesn't Work...

- Flat bags in any situation (hung, on a table, on the floor)
- Stuffed bags positioned high-up at random

THE COATED CANVAS COLLECTION

Our Coated Canvas Collection is water-resistant and developed to withstand the test of time. Made for year-round, everyday use, these products are machine-washable, light-weight and almost indestructible.
