IT'S THE LITTLE THINGS THAT MAKE THE NIGHT YOURS

**Delivery charges:** Express Yourselfie offer free delivery on the first 25 mile of any travel to a venue from Livingston. For any additional travel then an additional mileage charge will be added to the package price in order to cover transportation costs. Additional charges are priced at 50p per additional mile.

**Event reservation:** Reserving one of our services couldn't be easier. All dates can be secured by paying a 20% deposit of the total hire cost (Package and add on price plus delivery charges). Once deposit has been paid an email will be received to confirm that your booking has been placed into the diary. Final remaining payment is not due to be paid until 2 weeks prior to your event. While we cannot offer any direct debit scheme we do accept for additional payments to be made between date of deposit and date of final payment to help spread the cost of any hire.

**Cancellation:** All deposits are non-refundable. All cancellations made more than 28 days before the event will result in deposits not being refunded but any additional payments that have been made will be returned. Any cancellation made with less than 28 days' notice to the event will result in no refund and you will be liable for full contracted balance.

**Insurances:** Express Yourselfie holds full public liability insurance on all of its equipment as well as having all electrical items PAT tested on a yearly basis. While we do not envisage any problems occurring while at events, we provide an attendant to assist with all hires to try and ensure that everything goes as smoothly as possible and issues can be rectified in a timely manner, leaving you and your guests to enjoy the evening. Services can be hired out "attendantless" but are done so at the risk of the person who booked the equipment. Support however will be offered remotely via telephone call in the event of malfunction of the equipment . Express Yourselfie cannot be held liable for any loss of use or functionality of equipment that is hired without an attendant.
