# The House Of Saud: It's Jewish Origin And Installatio

# n By The British Crown

**TMR Editor's Note:**
The two exposés posted below in their entirety provide essential material regarding the true origin of the House of Saud, as well as vital background about the current monarchy ruling Saudi Arabia.

It is virtually impossible to understand the true nature of the relationship between Saudi Arabia and the USA, and between Saudi Arabia and Israel, without the historical information that follows.

The photo above includes Chaim Weizmann, a zealous Zionist leader who was perhaps the first Israeli politician to actively promote the *Greater Israel* project.

> **Chaim Azriel Weizmann*

> *(Hebrew: חיים עזריאל ויצמן Hayyim Azri'el Vaytsman, Russian: Хаим Вейцман Khaim Veytsman; 27 November 1874 – 9 November 1952) D.Sc, Sc.D, LL.D was a Zionist leader and Israeli statesman who served as President of the Zionist Organization and later as the first President of Israel.* (Source: ***Chaim Weizmann***)

There are two other related exposés which ought to be read along with the two posted below. As follows:

**Is The 'Saudi' Royal Family Jewish?**

**The Jewish Roots Of The House Of Saud Family Tree**

Only when the once highly concealed content of these articles is correctly understood can the intractable challenges throughout the Middle East be met with any degree of success.

# 2002 IRAQI INTEL REPORTED WAHHABIS ARE OF JEWISH ORIGIN

by David Livingstone

The U.S. Department of Defense has released translations of a number of Iraqi intelligence documents dating from Saddam's rule.  One, a General Military Intelligence Directorate report from September 2002, entitled "The Emergence of

Wahhabism and its Historical Roots”, shows the Iraqi government was aware of the nefarious purposes of the Wahhabis of Saudi Arabia, often known as Salafis, in serving Western interests to undermine Islam.

The report relies heavily on the Memoirs of Mr. Hempher, which describe in detail how a British spy to the Middle East, in the middle of the eighteenth century, made contact with Adbul Wahhab, to create a subversive version of Islam, the notorious sect of Wahhabism, which became the founding cult of the Saudi regime. The movement was temporarily suppressed by the Ottomam armies in the middle of the nineteenth century. But with the assistance of the British, the Wahhabis and their Saudi sponsors returned to power and founded their own state in 1932. Since then, the Saudis have collaborated closely with the Americans, to whom they owe their tremendous oil wealth, in funding various Islamic fundamentalist organizations and other American covert operations,

particularly the “jihad” in Afghanistan. But the Saudis simultaneously use the immense wealth at their disposal to disseminate this disruptive brand of Islam to various parts of the world, categorized by some of the largest propaganda campaign in history.

Many who defend Wahhabism as a legitimate reform movement of Islam have tried to dismiss the Memoirs as a spurious fabrication. These include **Bernard Haykel**, Professor in Near Eastern Studies at Princeton University, who, without providing any evidence, presumes the Memoirs to have been created by Ayyub Sabri Pasha.

However, while the Memoirs only emerged in the 1970s, Pasha wrote his version of the story already in 1888. Ayyub Sabri Pasha was a well-known Ottoman writer and Turkish naval admiral, who served the Ottoman army in the Arabian Peninsula, writing several works about the region and its history. Including **The Beginning and**

Spreading of Wahhabism, where he recounts Abdul Wahhab's association and plotting with Hempher.

In addition to that revealed in the Hempher Memoirs, the Iraqi intelligence report also makes known some surprising claims, derived from works circulated in Arabic which have not been translated into English. As the report recounts, both Abdul Wahhab, and his sponsor, ibn Saud, who founded the Saudi dynasty, were of Jewish origin.

For example, D. Mustafa Turan wrote, in *The Donmeh Jews*, that Muhammad ibn Abdul Wahhab was a descendant of a family of Donmeh Jews from Turkey. The Donmeh were descendants of followers of the infamous false-messiah of Judaism, Shabbetai Zevi, who shocked the Jewish world in 1666 by converting to Islam. Viewing it as a sacred mystery, Zevi's followers imitated his conversion to Islam, though secretly keeping to their Kabbalistic doctrines. In Europe, the Shabbeteans were eventually led a

century later by Jacob Frank, claiming to be a reincarnation of Zevi. And, according to Rabbi Antelman in *To Eliminate the Opiate*, to them belonged the Rothschilds who had a hand in the founding of the Bavarian Illuminati. The Donmeh community of Turkey were concentrated in the city of Salonika, which became a hotbed of Masonic activity, and from which the Young Turk movement evolved, which aided in the collapse of the Muslim empire of the Ottoman Turks. There is evidence that Ataturk himself, the founder of the modern Turkish state, was of Donmeh origin as well.

Turan maintains that Abdul Wahhab's grandfather, Sulayman was actually Shulman, having belonged to the Jewish community of Bursa in Turkey. From there he settled in Damascus, where he feigned Islam, but was apparently expelled for practicing sorcery. He then fled to Egypt and he again faced condemnation, so made his way he to the Hijaz, where he got married and fathered Abdul Wahhab. According to the report, the same is claimed in *The Donmeh Jews and the*

*Origin of the Saudi Wahabis*, Rifat Salim Kabar.

The notion of the Saudi family being of Jewish heritage has been published by **Mohammad Sakher**, who, it is claimed, was ordered killed by the regime for his revelations. The report relates a similar account, but from different sources. According *The Wahabi Movement/The Truth and Roots*, by Abdul Wahhab Ibrahim Al-Shammari, for example, ibn Saud is actually descended from Mordechai bin Ibrahim bin Mushi, a Jewish merchant from Basra. Apparently, when he was approached by members from the Arabian tribe of Aniza, then claimed to be one of them, and traveled with them to Najd and his name became Markhan bin Ibrahim bin Musa.

Additionally, Abdul Wahhab was descended from Wahib Al-Tamimi, so, as reported by al Said Nasir, in The History of the Saud Family, the Saudi ambassador in Cairo, Abdullah bin Ibrahim al Mufaddal, paid Muhammad Al-Tamimi thirty-five

thousand Jinee in the year 1943, to forge a family tree of the Saudi family and that of Abdul Wahhab, and merge them into one, claiming their origin from the Prophet Mohammed.

While it would be difficult to independently authenticate these claims, they are interesting in light of the role that the state of Saudi Arabia has and continues to play with regards to supporting and advancing Western power in the Middle East and elsewhere. Especially astounding is the very dubious and virulent form of Islam, that Wahhabism and Salafism represent, which is currently wrecking havoc on Islamic traditions, and dividing the Muslim community in petty squabbles over trivial details, allowing the War on Islam to proceed effectively unchecked.

# The Saudi Royal Family Are Crypto-Jews

By Abdulaziz Saud

THE SAUDI DYNASTY: FROM WHERE IS IT? AND WHO IS THE REAL ANCESTOR OF THIS FAMILY?

RESEARCH AND PRESENTATION OF: MOHAMMAD SAKHER , who was ordered killed by the Saudi

Regime for the following findings:

1. Are the Saudi Family members belonging to the Tribe of ANZA BEN WA'EL as they allege to be?

2. Is Islam their actual religion?

3. Are they of an ARAB ORIGIN at all?

In the year 851 A.H. a group of men from AL MASALEEKH CLAN, which was a branch of ANZA Tribe, formed a caravan for buying cereals (wheat and corn) and other food stuff from IRAQ, and transporting it back to NAJD. The head of that group was a man called SAHMI BIN HATHLOOL. The caravan reached BASRA, where the members of the group went to a cereal merchant who was a Jew, Called MORDAKHAI BIN IBRAHIM BIN MOSHE'. During their bargaining with that merchant, the Jew asked them : "Where are you from?" They answered: "From ANZA TRIBE; a clan of AL MASALEEKH." Upon hearing that name, the Jew started to hug so affectionately each one of them saying that he, himself, was also from

the clan of AL MASALEEKH, but he had come to reside in BASRA (IRAQ) in consequence to a family feud between his father and some members of ANZA Tribe.

After he recounted to them his fabricated narrative, he ordered his servants to load all the camels of the clan's members with wheat, dates and tamman; a remarkable deed so generous that astonished the MASALEEKH men and aroused their pride to find such an affectionate (cousin) in IRAQ- the source of their sustenance; they believed each word he said , and , because he was a rich merchant of the food commodities which they were badly in need, they liked him (even though he was a Jew concealed under the garb of an Arab from AL MASALEEKH clan).

When the caravan was ready to depart returning to NAJD, that Jewish Merchant asked them to accept his company, because he intended to go with them to his original homeland, NAJD. Upon hearing that from him, they

wholeheartedly welcomed him with a very cheerful attitude.

So that (concealed) Jew reached NAJD with the caravan. In NAJD, he started to promulgate a lot of propaganda for himself through his companions (his alleged cousins), a fact, which gathered around him a considerable number of new supporters; but, unexpectedly, he confronted a campaign of opposition to his views led by SHEIKH SALEH SALMAN ABDULLA AL TAMIMI, who was a Muslim religious preacher in AL-QASEEM. The radius of his preaching area included Najd, Yemen, and Hijaz, a fact which compelled the Jew (the Ancestor of the present SAUDI FAMILY to depart from AL QASEEM to AL IHSA, where he changed his name (MORDAKHAI) To MARKHAN BIN IBRAHIM MUSA. Then he changed the location of his residence and settled at a place called DIR'IYA near AL-QATEEF, where he started to spread among the inhabitants a fabricated story about the shield of our Prophet MOHAMMAD (p.b.u.h), that it was

taken as a booty by an Arab Pagan in consequence of OHOD Battle between the Arab pagans and the Muslims. “That shield, he said, was sold by the Arab Pagan to a Jewish Clan called BANU QUNAIQA’ who preserved it as a treasure! He gradually enhanced his position among the Bedouins through such stories which indicated how the Jewish clans in Arabia were so influential and deserved high esteem. He gained some personal importance among the Bedouins, and decided to settle permanently there, at DIR’IYA town, near AL QATEEF, which he decided to be his (Capital) on the Persian Gulf. He aspired to make it his spring-board for establishing a Jewish Kingdom in Arabia.

In order to fulfill his ambitious scheme, he started to approach the desert Arab Bedouins for support of his position, then gradually, he declared himself as their king!

At that juncture, AJAMAN Tribe together with BANU KHALED Tribe became fully aware of that Jewish

cunning plan after they had verified his true identity, and decided to put an end to him. They attacked his town and conquered it, but before arresting him he had escaped by the skin of his teeth.

That Jewish Ancestor of the SAUDI FAMILY, (MORDAKHAI), sought shelter in a farm called at that time AL-MALIBEED-GHUSAIBA near AL-ARID, which is called at our present time : AL-RIYADH.

He requested the owner of that farm to grant him an asylum. The farmer was so hospitable that he immediately gave him sanctuary. But that Jew (MORDAKHAI), no longer than a month had he stayed there, when he assassinated the land lord and all members of his family, pretending that all were killed by an invading band of thieves. Then he pretended that he had bought that real estate from them before that catastrophe happened to them! Accordingly, he had the right to reside there as a land lord. He then gave a new name to that place: He named it

AL-DIRIYA – the same name as that he had lost.

That Jewish Ancestor of the SAUDI FAMILY (MORDAKHAI), was quick to establish a “GUEST HO– USE” called “MADAFFA” on the land he usurped from his victims, and gathered around him a group of hypocrites who started to spread out false propaganda for him that he was a prominent Arab Sheikh. He plotted against Sheikh SALEH SALMAN ABDULLA AL TAMIMI, his original enemy, and caused his assassination in the mosque of the town called (AL-ZALAFI).

After that, he felt satisfied and safe to make (AL-DIRIYA) his permanent home. There he practiced polygamy at a wide scale, and indeed, he begot a lot of children whom he gave pure Arab names.

Ever since his descendants grew up in number and power under the name of SAUDI CLAN, they have followed his steps in practicing under ground activities and conspiracies against the

Arab Nation. They illegally seized rural sectors and farm lands, and assassinated every person who tried to oppose their evil plans. They used all kinds of deceit for reaching their goals: they bought the conscience of their dissidents; they offered their women and money to influential people in that area, particularly to those who started to write the true biography of that Jewish Family; they bribed writers of history in order to purify their ignominious history, and make their lineage related to the most prominent Arab Tribes such as RABI'A, ANZA, and ALMASALEEKH.

A conspicuous hypocrite in our era whose name is MOHAMMAD AMIN AL TAMIMI- Director/Manager of the contemporary Libraries of the SAUDI KINGDOM, made up a genealogical tree (FAMILY TREE) for this JEWISH FAMILY (THE SAUDIS), connecting them to our Great Prophet, MOHAMMAD (P.B.U.H). For his false work, he received a reward of 35 (THIRTY FIVE) THOUSAND EYPTIAN POUNDS from the then SAUDI AMBASSADOR TO CAIRO,

EGYPT, in the year 1362 AH.- 1943 A.D. The name of that Ambassador is: IBRAHIM AL-FADEL.

As aforementioned, the Jewish Ancestor of the SAUDI FAMILY, (MORDAKHAI), practiced polygamy by marrying a lot of Arab women and begot many children; his polygamous practice is, at the present time, being carried out " to the letter" by his descendants; they cling to his marital heritage!

One of MORDAKHAI'S sons called AL-MAQARAN, arabized from the Jewish root (MACK-REN) begot a son called Mohammad, then another son called SAUD, which is the name of the present day SAUDI DYNASTY.

Descendants of SAUD (the present day SAUDI FAMILY )started a campaign of assassination of the prominent leaders of the Arab Tribes under the pretence that those leaders were apostates; renegading from the Islamic Religion, and deserting their Koranic doctrines; so they deserved the SAUDI condemnation and

slaughter!

In the History Book of the SAUDI FAMILY pages (98-101), their private family historian declares that the SAUDI DYNASTY considers all the people of NAJD blasphemous; so their blood must be shed, their properties confiscated, and their females be taken as concubines; no Muslim is authentic in his /her belief unless he/she belongs (affiliates) to the sect of MOHAMMAD BIN ABDUL WAHAB, (whose origins are also Jewish from TURKEY.) His doctrines give authority to the SAUDI FAMILY to destroy the villages with all their inhabitants-males including children, and to sexually assault their women; stab the bellies of the pregnant, and cut off the hands of their children, then burn them! They are further authorized by such a BRUTAL DOCTRINE to plunder all the properties of whom they call renegades (not following their Wahabi Sect).

Their hideous Jewish Family has, in fact, done all that kind of atrocities in

the name of their false religious sect (the Wahabi), which was actually invented by a Jew so as to sow the seeds of terror in the hearts of people in towns and villages. This Jewish Dynasty has been committing such brutal atrocities ever since 1163 A.H. They have named the whole Arabian Peninsula after their family name (SAUDI ARABIA) as if the whole region is their own personal real estate, and that all other inhabitants are their mere servants or slaves, toiling day and night for the pleasure of their masters (THE SAUDI FAMILY).

They are completely holding the natural wealth of the country as their own property. If any poor person from the common people raises his/her voice complaining against any of the despotic rules of this Jewish Dynasty, (the Dynasty) cuts off his/her head in the public square. A princess of theirs once visited FLORIDA, USA, with her retinue; she rented 90 (NINETY) Suite rooms in a Grand Hotel for about One Million Dollars a night! Can anyone of their

subjects comment about that extravagant event? If he/she does, his/her fate is quite known: DEATH WITH THE EDGE OF THE SAUDI SWORD IN THE PUBLIC SQUARE!!!!!!

Witnesses on the Jewish Ancestry of this Saudi Family:

In the 1960's the "SAWT AL ARAB" Broadcasting Station in Cairo, Egypt, and the YEMEN Broadcasting Station in SANA'A confirmed the Jewish Ancestry of the SAUDI Family.

King FAISAL AL-SAUD at that time could not deny his family's kindred with the JEWS when he declared to the WASHINGTON POST on September 17, 1969 stating: "WE, THE SAUDI FAMILY, are cousins of the Jews: we entirely disagree with any Arab or Muslim [sic] Authority which shows any antagonism to the Jews; but we must live together with them in peace. Our country (ARABIA) is the Fountain head from where the first Jew sprang, and his descendants spread out all over the world." That

was the declaration of KING FAISAL AL-SAUD BIN ABDUL AZIZ!!!!!

HAFEZ WAHBI, The SAUDI Legal Adviser, mentioned in his book entitled: “THE PENINSULA OF ARABIA” that KING ABDUL AZIZ AL-SAUD, who died in 1953, had said : “Our Message (SAUDI MESSAGE) encountered the opposition of all Arab Tribes; my grandfather, SAUD AWAL, once imprisoned a number of the Sheikhs of MATHEER Tribe; and when another group of the same tribe came to intercede for the release of the prisoners, SAUD AWAL gave orders to his men to cut off the heads of all the prisoners, then, he wanted to humiliate and derogate the interceders by inviting them to eat from a banquet he prepared from the cooked flesh of his victims whose cut off heads he placed on the top of the food platters!! The interceders became so alarmed and declined to eat the flesh of their relatives; and, because of their refusal to eat, he ordered his men to cut off their heads too. That hideous crime was committed by that self-imposed king

to innocent people whose guilt was their opposition to his most cruel and extremely despotic rules.

HAFEZ WAHBI, states further that King ABDUL AZIZ AL-SAUD related that bloody true story to the Sheikhs of the MATHEER Tribe, who visited him in order to intercede for their prominent leader at that time, FAISAL AL DARWEESH, who was the king's prisoner. He related that story to them in order to prevent them from interceding for the release of their Sheikh; otherwise, they would face the same fate; He killed the Sheikh and used his blood as an ablution liquid for him just before he stood up for his prayer (after the false sect doctrine of the Wahabi); The guilt of FAISAL DARWEESH at that time was that he had criticized King ABDUL AZIZ AL-SAUD when the king signed the document which the English Authorities prepared in 1922 as a declaration for giving PALESTINE to the Jews; his signature was obtained in the conference held at AL AQEER in 1922.

That was and still is the system of this Regime of the JEWISH FAMILY (SAUDI FAMILY): All its goals are: plundering the wealth of the country, robbing, falsifying, and committing all kinds of atrocity, iniquity, and blasphemy-all are executed in compliance with their self invented Wahhabi Sect which legalizes the chopping of the heads of their opposing subjects.
