Dear ICC LABC Members,

The co-chairs of the Fire & Life Safety Committee would like to invite you and your **fire department personnel** who are tasked with fire prevention enforcement (**plans examiner, inspector, prevention analyst, fire marshal, etc.**) To join us at our regular meetings.

We will hold our first meeting on **Wednesday, April 15th at 3:00 pm** via **Microsoft Teams**. This meeting will be used to reintroduce us, become acquainted with other fire departments, and give a small presentation of status, prospects, and collaborative efforts for future meetings.

Please invite all fire department personnel who would like to join in adding engagement to the Fire & Life Safety Committee meetings; it would be amazing to have a larger **fire** presence in the ICC LABC. We are excited to see you attend.

If you have any questions, please feel free to reach out to either co-chair of the ICC Fire & Life Safety Committee.

Rafael Escobar

Co-Chair, Fire & Life Safety Committee
Los Angeles County Fire Department
