LABC's SAP Training 2019

REGISTER TODAY FOR THE VIRTUAL SAP TRAINING!

This online course will be held in (3) - 2 hour sessions, on March 2, 3, and 4, from 2 pm to 4 pm. The SAP course trains experienced professionals to quickly evaluate damaged structures, identifying buildings people can return to, while marking those that are unsafe or have restricted use. The course is for professionals with current civil, structural, geotechnical, and architectural licenses from any state, along with many ICC building inspector certifications.

Speaker: Jason Spotts, SAP Program Coordinator

Cost:
$10 (for members)
$25 (for non-members)
Please Register by Friday, February 26, 2021. Space is Limited.

To register click HERE or visit: https://icclabc.org/meetings-%26-events

For questions, please contact Secretary, Cynthia Zabala at:
