3.4 Chapter Meeting. Jesse indicated that the March 8th chapter meeting location is changing from the PW Alhambra building to Luminaires.

4.0 NEW BUSINESS

4.1 Triennial Code Adoption for 2019 California Building Standards Code.

Discussion Point(s):

- Truong indicated that in future meetings we should consider taking up the triennial code adoption process and reviewing what the various state agencies are proposing for the 2019 CA codes as well as starting the update of the LARUCP document.
- Ali recommended that members should pay attention to the proposals by the various state agencies with some emphasis on the CEBC due to reformatting and other concerns.

- Outreach to Organizations, Chapters, Committees or Jurisdictions. Truong discussed outreach effort to ICC Region 1, SFPE and Ron B.
- Update on Online Shared Excel File. The criteria for “consensus” was discussed. No objects received. This will be the criteria going forward to determine how code change proposals are presented to the members. Kevin recommended combining the excel tab sheet for the IFC and IWUIC into one.
- Work Schedule. The tentative work schedule for the following group was discussed: Eugene for LABC Fire-Life Safety committee, Gregory for the LABC Structural committee, Kevin for the FPO, and Ali for SD and the SD Chapter. Susan indicated that about 1,300 code change proposals were submitted with a rough breakdown in the following area: 175 for IWUIC, 350 for IFC, 150 for the IBC-E, 135 for IBC-G, 11 for PMG, and 11 for IZC.
- Discuss Code Change Proposals. ICC has not yet released the code change proposals. No discussion.
- Voter Registration. Truong summarized information he received on the general make-up of voters in 2017. About 11% of total registered voters were in CA. This may not be reflective for 2018 as 2017 was a non-code adoption year.
