Triennial Code Adoption for 2019 California Building Standards Code.

## Discussion Point(s):

- Establish Goal and Schedule for LARUCP. Truong suggested starting early in July 2018 and finishing March 2019. Based upon comments received from previous adoption years, getting the LARUCP sooner will help members get a head start with preparing their ordinance to adopt and amend the codes. Others are generally supportive of starting early. State agencies will be submitting their code change package soon to the CBSC. Eugene discuss FLS committee participating at the CBSC hearing or working with state agencies regarding a potential amendment on concealed spaces.
- Update on LARUCP Amendments. Truong suggested introducing code change proposal G151-18 regarding containers as a future LARUCP amendment.
- Update on State Agencies Proposals. Crystal gave a brief summary of what the OSFM is doing and when they will be submitting their code change proposals to the CBSC.
