The hearings will start at 1:00 pm on Sunday, April 15\textsuperscript{th}. Prior to the hearings on Sunday morning, the Membership Councils and Major Jurisdictions Committee will be holding meetings. Following these meetings and prior to the hearings, a Members’ Forum is scheduled. See [schedule](#).

Unless noted by “Start no earlier than X am/pm,” each Code Committee will begin immediately upon completion of the hearings for the prior Committee. This includes moving a Committee forward or back from the day indicated based on hearing progress. The actual start times for the various Committees are not stipulated because of uncertainties in hearing progress. The schedule anticipates that the hearings will finish on the date noted as “Finish” for each track. This may require going beyond the scheduled finish time.
