

COMMITTEE ACTION HEARING RESULTS ON THE 2016 PROPOSED CHANGES TO THE INTERNATIONAL CODES – GROUP B

May 19, 2016 (Prior to online vote results)

This is a summary of the actions taken on the 2016 Proposed Changes to the ICC International Codes at the **April 17 – 27, 2016** Committee Action Hearings held in Louisville, KY.

These action lists include the proposed code change number, the committee action and the assembly motion, if any. Example: S19-16 indicates “D/ASF”. This means that the IBC Structural Committee voted for Disapproval of code change proposal S19-16. Following the action by the committee, there was a motion from the floor by the assembly for Approval as Submitted (ASF). This motion for ASF will be voted on during the Online CAH Assembly Floor Motion Voting period. The voting period will open on May 11th and be open for two weeks. Once established, the voting period will be posted and noted in ICC e-publications.

The “Part” listed after the code change indicates the respective items of the code change that involve coordination issues between I-Codes. For example, ADM8-16 Part I, was heard by the Administrative Provisions Committee and ADM8-16 Part II, was heard by the IRC-Building Committee.

A comprehensive report of CAH actions will be posted **June 1, 2016** in the Report of the Committee Action Hearing. This will indicate the action taken by the committee and their reasons, approved modifications, the results of the Online CAH Assembly Floor Motion Vote and any errata to the text of the code change proposals. The deadline for receipt of public comments is **July 22, 2016**. All public comments must be submitted online via cdpACCESS (cdpACCESS.com).

This 2016 Group B CAH is the second committee action hearing in the 2015-2016 Cycle. The submittal of public comments will be considered at the 2016 Group B Public Comment Hearings (PCH), scheduled for **October 19 – 25, 2016** in Kansas City, MO.

Following the PCH, the Online Governmental Consensus Voting (OGCV) period will start approximately 2 weeks after the conclusion of the PCH. The results of the OGCV will determine the final disposition of the code change proposals that were considered at the PCH.

Committee Action Hearings April 17 – 27, 2016

Public Comments Due: July 22, 2016
