

CODE DEVELOPMENT RESULTS ON THE 2012 PROPOSED CHANGES TO THE INTERNATIONAL CODES

This is a summary of the actions taken on the 2012 Proposed Changes to the ICC International Codes at the **April 29th – May 6th, 2012** Code Development Hearings held in Dallas, TX.

These action lists include the proposed code change number, the committee action and the successful assembly action, if any. Example: FS194-12 indicates D/ASF (see page 3). This means that the IBC Fire Safety Committee voted for disapproval of code change proposal FS194-12. The assembly voted in favor of a motion for Approval as Submitted of FS194-12. As a result of the successful assembly action, the code change proposal will be included in the Final Action Agenda for individual consideration at the Final Action Hearings, October 24th – 28th, 2012 in Portland, OR.

There will be three Final Action Hearings held in the 2012-2014 Cycle. The codes or portions of codes to be considered at each Final Action Hearing are listed below the dates of their respective Final Action Hearing. For instance, the IBC Final Action Agenda will be heard during the Group A hearings, **October 24th – 28th, 2012 at Oregon Convention Center in Portland, OR**; the IFC Final Action Agenda will be heard during the Group B hearings, **October 2nd – 9th, 2013 at Atlantic City Convention Center in Atlantic City, NJ**; and the IgCC Final Action Agenda will be heard during the Group C hearings, date and location **TBD**.

The "Part" listed after the code change indicates the respective items of the code change that involve coordination issues between I-Codes. For example, G142-12 Part I, was heard by the IBC General Committee and G142-12 Part II, was heard by the IBC Structural Committee.

A summary of the actions including descriptions of modifications and the full *Report of the Public Hearings* will be posted in the code development section of the ICC web site at www.iccsafe.org around **June 8th, 2012**.

Code change proponents and those who received a code change monograph will automatically receive the report. Public hearing registrants and other interested parties may obtain a CD copy of the report by sending the return coupon posted on the ICC web site to the location directed on the coupon. The deadline for the receipt of public comments to the hearing actions on proposed code changes to the International Codes is noted below. A public comment form can be downloaded at www.iccsafe.org.

Proposed changes were heard on the codes listed under Group A in Dallas, TX, April 29th – May 6th. Four subcommittees heard code change proposals, and are listed below the International Building Code. The letter designation in the parenthesis indicates the code change number prefix.
