

Affordable Solar for Your Home, Brought to You by a Name You Trust.

Here are just a few of the benefits that make a Power Purchase Agreement from Sunrun such a bright choice:

- Get a low, locked-in rate over the life of your lease/Power Purchase Agreement.
- Pay as little as \$0 down.
- Sunrun takes care of all paperwork, installation, insurance and maintenance for the duration of your agreement.
- With the Sunrun Plan (lease/PPA), you only pay for the power your system produces, not the panels.
- A custom solar energy system designed for your home.
- Clean energy that's as good for the earth as it is for your wallet.
