Student illness and absences (see also Covid-19 Policies and Guidelines):

1. **In cases of unavoidable conflict or illness:** If a student is unable to attend a scheduled In-Person lesson and notice is provided prior to lesson time, the student may attend over Video (if able and well enough to do so) at their regular time or request a makeup lesson if a Video lesson is not possible (see next).
2. **Makeup lessons** are scheduled at mutually suitable times for the student and teacher according to available studio hours and are not guaranteed to be possible. No credits can be given for student absences. All make-up lessons must be requested and completed before the end of the term (June 11, 2021), and cannot be carried over into the summer term.

Inclement weather: If conditions prior to lesson time are unsafe to drive in, lessons can be attended over video at the student's regular time, or be rescheduled as a makeup lesson at a later date.

Teacher absences: In rare cases where cancellation is necessary by the teacher, every effort will be made to schedule a make-up lesson at a mutually convenient time for the student and teacher. If a make-up lesson is not possible, a credit will be given to the student.

Discontinuation: If a student must discontinue lessons before the end of the term, a requirement of one month's notice will apply. The next 4 lessons following the notification will remain as being paid for by the student, and the student is encouraged to attend those lessons. A pro-rating will be calculated to determine any balance due or owed.

Media Release: Photos, videos and audio recordings of students during lessons and performances may be posted online and/or used for promotional or instructional purposes. Identifying information will be limited to first names only. Parents wishing to exempt their students from any published media may do so by providing a written exclusion request.
