

Ellis County Hispanic Organization Scholarship Application

The Ellis County Hispanic Organization, ECHO, is a non-profit dedicated to promoting Latino culture, arts, and education in the local community. As part of ECHO's education promotional efforts, we have established a scholarship committee to award scholarships to students attending colleges, vocational schools and universities.

Scholarship is open to all students and not based on race or immigration status. Grades and academic performance will be indicators of award potential; emphasis may be placed on an individual's motivation, sincerity and integrity, which can be revealed through a personal essay. Community involvement and leadership activities will also be considered.

Scholarship Eligibility Requirement:

1. Must have been accepted to or be enrolled in an accredited college, university or Graduate school, including two-year colleges and vocational schools.

Applicants must submit the following in order to be considered for the ECHO scholarship:

1. Completed and signed application
2. Verification of admittance or enrollment from the institution the student is attending or is planning to attend (letter of acceptance from College or University, letter from the Registrar or Transcript.)
3. Typed or neatly printed essay of not more than three hundred (300) Words.

Please scan and email the completed application to elliscountyhispanicorg@gmail.com or mail to PO BOX 621 Waxahachie, TX 75168 by April 15th, 2026 . The committee may require additional information and/or a personal interview. Selected applicants will be notified by April 30th, 2026 and presented with the scholarship on May 2nd, 2026 at our annual Cinco De Mayo Celebration in Downtown Waxahachie.

PLEASE TYPE OR PRINT NEATLY AND SUBMIT TO THE SCHOLARSHIP
COMMITTEE
