

AccuQuilt Club

July 2021

Teacher: Monika Openshaw

Location: Upland Vac & Sew

Gnome Pillow Supply List

- 6" square cutting mat
- 1 Fat Quarter background for inside of snow globe, or 10" x 10" scrap
- 4" x 6" red for hat and body, prefused for applique
- 3" x 3" white for beard, prefused for applique
- (2) 1" x 1" white for mittens, prefused for applique
- 1" x 1" pink for nose, prefused for applique
- (2) 1" x 1" black for shoes, prefused for applique
- 1 FQ for globe base, or scrap measuring 4" x 10"
- 3/4 yard for globe border and pillow back
- 18" x 18" Fusible fleece or batting
- Optional: 2 yards jumbo Ric Rac trim
- Optional: 1 FQ for back of pillow top quilt sandwich—this will be inside of the pillow and not easily seen.
- 1 16" pillow form
 - Use a paper backed fusible, such as Steam A Seam or Soft Fuse
 - Do not use a fusible web that is not backed with paper, such as Misty Fuse.

If you are not sure how to prepare your fabric for applique using the Accuquilt, don't worry! We can do that together in class.

Reminder that you are to bring your own cutting mat each month. Cutting mats are like rotary blades—they only last so long!

You do not need to bring your cutter; we will be using the store's cutter.

You will be able to cut out one block from my die.

Dies Used:
