

Market Lead Job Description

good phyte foods is looking to hire a reliable and energetic part-time Market Lead to join the team helping to safely get our product to customers at the Friday Local Food Hub Market. The Market Lead will pick up pre-orders from our kitchen and deliver them to customers between 3-5pm every Friday. This is an excellent opportunity for someone to join a small health food business team with a small time commitment: approximately 3 hours/week through December 18th, 2020.

Responsibilities:

- Pick up orders from production kitchen and transport them safely to market site
- Distribute labeled orders to appropriate customers (with a [masked] smile)
- Drop off any empty coolers or boxes back to the kitchen
- Take all appropriate COVID-related safety precautions, wearing gloves and a mask at all times during the market. Gloves and mask will be provided.

Requirements:

Previous experience with customer service preferred, but not required. Most important is the ability to work independently but maintain a friendly “attitude of gratitude” with customers. This position does require the ability to stand for extended periods in a variety of weather conditions. Applicants may also be considered for Production Assistant position (see separate position description). Must have good communication skills. Must have transportation to the good phyte kitchen in downtown Charlottesville.

Hours and Compensation

This position requires 3 hours per week, each Friday from 2:30 to 5:30pm, through December 18. Starting pay is \$30/shift, in addition to a good phyte product credit of \$6/shift, which can be “saved up” for larger orders.

About good phyte

good phyte foods, LLC is a Charlottesville business on a mission to help people fuel good, feel good, and do good. We make delicious grain-free and vegan snacks with organic seeds and locally grown vegetables & herbs, all with zero added sugars or preservatives.
