

*A Conference for People with Developmental Disabilities,
Self-Advocates, Families, & Support Professionals*

Michael Jacques

The Journey

Michael will share his experiences as a young adult with a disability trying to belong in the community. At a young age, Michael was diagnosed with autism and an intellectual disability. Never one to shy away from obstacles, Michael will share experiences from his life to help audiences understand accepting and belonging.

Michael will speak about learning, inclusion, advocating, independence and the power of perseverance.
