

Heartland | POS

For the month of March & April, SkyBox Systems will be giving Online Demonstrations & Webinars for **Online & Phone App Ordering** options.

Starting Thursday, March 19th, demonstrations will start at 10 am, then again, every hour as we fill spots.

To see a 20 min Demonstration Please **REPLY to this email, or email Admin@Skyboxindy.com** your name, email information, your restaurant name, address, or call 317-497-0827 to reserve a spot.

**Can't make a class tomorrow or this week? No Problem!
Let us know the date & time you would like, and we will confirm your spot via email.**

How quickly can we get you up & running?

Approximately 2/4 days* to get the entire system up and running on **your restaurant Facebook and/or Webpage.**

*based on the menu size, modifiers, & demand

How do we do this?

Provide us a custom menu and we will program it and broadcast it!

What about Payments?

Take payments using Heartland as the processor, you will get a great rate & your funds within 24-36 hours.

How about Support & Training?

We will support the Online Ordering App and provide training for your team.

Requirements: Internet & Wi-Fi, 1 to 2 iPad devices for orders based on restaurant needs
