**THANK YOU** for considering being such an **IMPORTANT**  
part of our **ROOTIN' CROWN** Family!

The past year has brought forth many trials and  
tribulations to the Rootin' Crown, but with such an  
**AWESOME TEAM** of **SUPPORTERS**,  
our mission will **STRIVE ON!**

Since the birth of the Rootin' Crown in Oct 2017 luck has not been on our side. From our Landlord on East Ave passing away, to not knowing about the road construction on Riders Club Rd, really has made our timeline of growth stunted the past 16 months, with 3 stores formed and a total of 2 additional moves in that time period, we maintain, but do struggle with the operating costs to keep the Rootin' Crown a float. There is no extra funds for signage, marketing, advertising, staff hiring, nor to purchase a cube truck to ease the Donator who desires a pick up of their donations. So, we are reaching out to the Community to help us to be able to continue to help the Community, by becoming a Sponsor of the Rootin' Crown. Your Sponsorship of monetary donations will help the growth of the Rootin' Crown in more ways than can be explained in a paragraph. Just watch where we grow because of your generosity, belief, faith, prayers and **SUPPORT. THANK YOU** ahead from the Rootin' Crown!

The Owner of the Rootin' Crown, Mary Jo Wilbur, had sold her home last April 2018 to take the equity out to start the Onalaska location on Riders Club Rd. Unfortunately, 10 weeks of road construction, right at opening, that equity did not last very long. Mary Jo, along with Adam, continue to live in their camper throughout the winter in order to keep as much finances as possible for the operating costs of the stores. They work many, many hours, all hours, to keep stores maintained still with little, to no compensation in pay.

***"The mission is being spread daily and can only grow... so many people are unaware of what we do here, for so many of OUR local non-profit Organizations. We need to be STRONG as a TEAM... as a COMMUNITY. It is what our name stands for..."***

**ROOTIN' for our local non-profit Organization is the strength of our Community coming together..  
The roots. The foundation.**

**CROWN is the growth of the Organizations.**

***"That's what we are all about".... Says Mary Jo Wilbur***
