God's Work in Progress

FROM THE DESK OF THE VICAR

May the Lord Jesus the Christ's name be praised!

Christ Church Anglican is in its second month of being open for Holy Eucharistic Services and more and more chairs are being occupied each Sunday. Social Distancing necessities are in place during our 8 O'clock and 10:30 services as we continue doing our best in keeping everyone safe in our current pandemic circumstances.

I am also pleased to see familiar faces returning to look the church over, while a few new faces have made CCA their new home. And thanks to ZOOM, we have a growing following during our 10:30 Praise and Worship Service.

NEWS! NEWS!

If you haven't already heard, the Bishop will be in town on the 1st of November, All Saints Day, to celebrate with us and to install me as Vicar of Christ Church Anglican; provided you are all in agreement. As of yet, I don't have the specifics, but I'm sure in correspondence with the Bishop he'll inform us of the details. I've been asked if we might have a lite soirée after the installation, just a little get together for the church. I think it's a great idea, but we, meaning the church and the vestry, have to sit down and figure out how we can observe the necessary social distancing requirements, keeping everyone safe during the festivities.

So, pencil church attendance in on Sundays on your calendars, and come out and celebrate the Eucharist with us.

Stay safe out there and God Bless our church.

Blessings,

Fr. Stan

Dear Ms. Dattilo,

Thank you!

Your recent donation of \$250.00 means that you understand just how valuable the services provided by New Reach are to those who have been affected by homelessness & poverty in Connecticut. At this challenging time, your support is key in helping our agency to alleviate the social and economic consequences of this global pandemic that is deeply affecting the most vulnerable families and children that we serve. Your support will contribute to helping us prevent the widening of disparities in housing and health now and in the future.

These victories, and the many others that we witness every day, are life changing. That's why you gave, and why the people we serve are full of gratitude for your generosity. Donors like you impact the lives of vulnerable youth, adults, families and veterans who are struggling to survive in Connecticut.

Again, thank you for your support. You are helping to build hopeful futures.

With gratitude,

Kellvann Dav. LMSW

OUTREACH

After much trouble with dangerous “bandits” the Fr. Gil Education Center and the Fr. Gil Women's Empowerment Center had to relocate. Here is a note from Fr. Martins:

“We started another school in the neighboring state at Dogon Gada, kebbi state. This is functioning. No threat from bandits. Though it is presently closed because of the pandemic.”
