MAKE A CHAIR FROM A TREE

WORKSHOP

In our 3-weekend Make a Chair from a Tree Workshop, you will craft your own post-and-rung ladder-back chair inspired by Jennie Alexander, a pioneer “instrumental in designing the now iconic two-slat post-and-rung shaving chair.” Our version is made from a log of sustainably harvested Gippsland Mountain Ash. A post-and-rung ladder-back chair is an excellent introduction to chair making and the techniques related to traditional wet and dry mortise and tenon joinery.

The skills gained in this workshop can easily be applied to future chair-making projects.
