TILLOTSON  
EQUINE

To our clients:

We would like to take a minute to make you aware of our concerns and procedures regarding the Corona Virus COVID-19 as it relates to the care of your horses.

We understand that this virus has impacts that are more far reaching than we recognize at this point. We travel a large area, and it is important to us to ensure that we do the best we can to prevent the spread of this disease. Please know that we will be increasing our protocols on wiping down our equipment between farms, as well as washing our hands or using sanitizing wipes between appointments.

Minimizing risk is important, and one way we can do that is by minimizing person to person contact. We ask that if you are sick, or at a higher risk for getting sick (immune-compromised, or with pre-existing conditions), keep a safe distance. We will be happy to hold or tie your horse if needed.

Thank you so much for your understanding and for allow us to work on your horses.
