Share the Out Loud Truth:

Ambush attack of Law Enforcement Officer leads Deputy to invent the fastest deploying ballistic shield to save more cops lives. When Deputy Bob Rigg's friend and partner was ambushed and shot in his patrol car, he knew that something had to be done to protect other Law Enforcement Officers. He tirelessly researched and developed a tool that is saving law enforcement lives. It's call "The Riggs Shield" and Steve Bush, the President of Police Ballistic Shield is my guest on Blue Lives Radio.
