

KEEP YOUR KIDS SAFE

Layla's Hope

Building relationships,
erasing connections,
finding the lost to bring
back hope!

Never too early; Never too Late!

ADULTS DON'T ASK KIDS FOR HELP.

Teach them to **NEVER** engage with strangers.

**NO SECRETS—
ONLINE OR IN PERSON.**

NORMALIZE SAYING NO.
No rides. No substances.

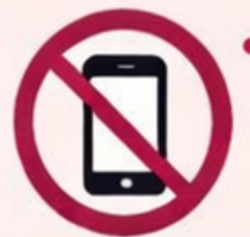

FRUSTRING INSTINCTS. LEAVE, GO GET HELP.

SAFETY OVER POLITENESS.

Kids don't have to talk to anyone
when **UNCOMFORTABLE.**

- Limit distractions like phones or headphones

- Know safe adults they can turn to.

- Create a **FAMILY CHECK-IN PLAN!**
