Teacher Sample Artifacts

Standard 1 ~ Professional Knowledge

- Statement of philosophy of education
- Summary of plan for integrating instruction or services or for creating interdisciplinary units (e.g., integrating language arts and science)
- Intervention planning
- Professional Development Log
- Annotated list of instructional activities
- Reflective journal/notes that represent professional growth
- Coursework transcript
- Samples of innovative approaches developed by teacher
- Annual PDP reflection
- Webinar/Conference certificates
- Common Core knowledge evidence
- Reflective journal/notes that are evidence of implementing what they learned from professional reading
- Additional certifications, licenses (National Board)
- List of instructional strategies to use in specific instances

Standard 2 ~ Instructional Planning

- Differentiation in lesson planning and practice based on data sources
- Outline of a lesson with differentiation for multiple ability levels and learning styles
- Modifications of lesson plans
- Modifications of classroom level assessments
- Data-driven curriculum revision work
- Lesson plans with reflections that represent reflective thinking and professional growth
- Evidence of technology integration
- Bibliographies of texts, resources, etc.
- Learning styles inventory
- Computer-generated presentation materials
- Unit overviews
- Teacher-made instructional materials (e.g. handouts)
- Written evidence of integrating writing and content reading into classroom instruction (e.g., a list of reading and writing activities in content lessons)
- Evidence of enrichment activity planned
- Annotated samples or photos of instructional materials created by you
- Pre-assessment samples
- List of formative/summative assessment use/examples
- Written Learning Targets (daily)
- Curriculum planning (C4S, etc.)
- Career readiness correlations in course curriculum
- Analysis of samples or photos of student created work reflecting their learning from your planning

- Curriculum revisions based on CCSS

Standard 3 ~ Instructional Delivery

- Annotated photographs of class activities
- Video sample of instruction
- Photo journal depicting classroom activities
- Audio tape of teaching
- Student work samples
- Written description about instruction
- Annotated photos of teacher-made displays used in instruction
- Record of student - teacher responses/interaction & analysis
- Evidence of collaboration with instructional coaches
- Annotated photos of student made displays used in instruction
- Use of technology

Standard 4 ~ Assessment For/Of Learning

- Samples of teacher-made formative and summative assessments
- Brief report describing your record keeping system and how it is used to monitor student progress
- Scoring rubric(s) and summary of how used
- Samples of educational reports, progress reports, or letters prepared for parents or students
- Evidence of students' self-reflection and/or self-monitoring
- Assessment feedback to students
- Student assessment results (i.e., student performance on assessments, including standardized tests, teacher-made tests, projects, etc.)
- Records within electronic curriculum mapping tool
- Student work samples (i.e., student performance on instructional activities and assignments)
- Disaggregated analysis of student achievement scores on standardized test
- Student journals of self-reflection and self-monitoring
- List of formative/summative assessment uses/examples
- Annotations on lesson plans
- Evidence of collaboration with instructional coaches
- Evidence of an RtI structure for students

Standard 5 ~ Learning Environment

- Student Survey Sample

- Student Survey Growth Plan
- Student Survey Analysis
- Classroom management plan
- Explanation of behavior management philosophy and procedures
- List of classroom rules with brief explanation of the procedures used to develop and reinforce them
- Schedule of daily classroom routines
- Substitute lesson plan and materials
- Photos of classroom environment
- Record of classroom management situation and follow up
- Positive notes sent to parents about their child

Standard 6 ~ Professionalism

- Professional Development Log
- Examples of collaborative work with peers – reflection, description, co-teaching lesson, etc.
- Communication Log with evidence of communication with students, family, colleagues, and/or community
- Documentation of in-service training or coursework
- Professional articles or presentations by teacher
- PDP annual reflection
- Involvement in professional organizations
- Community service
- Reflection journal/notes of involvement in P.D. and how this will be used in classroom/job
- Attendance records
- Parent perception data
- Training/workshop certificates
- Service on committees - school, district, civic
- Club Advisor record
- Peer Coaching contributions
- Contributions to the profession
- Positions held in professional organizations
- Staff presentation evidence
- Mentoring documentation
