Our menu items are made from scratch using locally sourced /organic ingredients whenever possible. No additives or preservatives. We use whole meats and eggs from local farms with no hormones or antibiotics. Our whole meats are slow cooked in house not processed. When in season and available we use local organic and/or sustainably grown produce. We cook with 100% real clarified butter, olive oil & coconut oil. We make all of our breads/bakery/desserts from srctach as well. We use plant based biodegradable and compostable to go containers & straws.
