Number Addition

A visual addition problem. On the left, a rounded rectangular box contains a single red apple with a brown stem and two green leaves. To its right is a black plus sign. Further right is another rounded rectangular box containing a second, identical red apple. To the right of this second box is a black equals sign. Finally, on the far right, there is an empty rounded rectangular box for the answer.

Zero

Tracing and writing lines for the number 0. The first line shows a dotted 0 between a solid top line and a solid bottom line, with a dashed middle line. Below it is a blank set of the same three-line structure for independent practice.
