## ***I Can Read With My Eyes Shut! - Dr. Seuss***

I can read in red. I can read in blue.  
I can read in pickle color too.  
I can read in bed, and in purple, and in brown.  
I can read in a circle and upside down.

I can read with my left eye.  
I can read with my right.  
I can read Mississippi with my eyes shut tight.

There are so many things you can learn about, but  
You'll miss the best things if you keep your eyes shut.  
The more that you read, the more things you will  
know.  
The more that you learn, the more places you'll go.

If you read with your eyes shut, you're likely to find  
That the place where you're going is far, far behind.  
So that's why I tell you to keep your eyes wide,  
Keep them wide open ... at least on one side!

... and I always read with my eyes wide open.

(Add or draw a picture of yourself with your eyes wide open!)
