

Are you a student in need of **financial advice**?  
Get a **FREE** one-hour session with a professional  
financial planner!

Are you:

- Finding it difficult to make ends meet while in school?
- Unsure of where to start when it comes to a budget, credit card debt, student loan repayment, or finances in general?
- Needing financial advice but cannot afford it?

Scan the QR code so you can sign up to:

- Get your financial questions answered.
- Understand more about your financial picture.
- Learn how to better manage your income or expenses.

#### **What is it?**

This is a service-learning project offered by the College of Business Financial Planning Major Program. This project pairs financial planning students at MSU with local financial advisors to help students in need of financial advice (maybe you!) Student clients will receive one hour of financial planning with our teams.

#### **How do you sign up?**

If you are interested in signing up for a free financial planning session, please scan the QR Code and complete the registration form.
