 - (b) Abandonment or cancellation of the meeting after the commencement of documentation.

4.7 Acceptance of Entry and Admission Passes

Acceptance of Entry will be sent by email. Competitor passes will be available for collection at Documentation. Competitors will be able to purchase additional passes for their guests up to the conclusion of documentation at a discounted rate.

5. COMPETITOR REQUIREMENTS & UNDERSTANDING

5.1 Licence Requirements

The driver must hold as a minimum a C1 Grade Competition Licence.

If the Entrant is other than a driver, an Entrants licence in the name of the Entrant is required.

5.2 Competitors Briefing

A written briefing will be issued at documentation to all competitors.

A verbal Drivers Briefing will be held on Saturday 15th March and is compulsory for all competitors to attend.

Time will be published in Supplementary Regulations Part 2.

5.3 New Drivers

Any driver who has competed in three (3) or less race meetings, or who has not previously competed at the circuit must indicate the fact on the entry form and attend the New Competitors Briefing session. The time for this will be indicated in the Supplementary Regulations Part 2.

5.4 Competitor Understanding

In signing the entry forms competitors (Entrant and Drivers) are deemed to fully understand the MotorSport NZ National Sporting Code and its relevant Appendices and Schedules. In particular:

- The National Sporting Code Articles pertaining to protests and competitor's obligations, and
- Schedule Z Articles detailing Flag signals and Code of Conduct.

6. DOCUMENTATION & SCRUTINEERING AUDIT INSPECTION

6.1 Documentation

Will take place in the Documentation Office on –

- Friday 14th March 2025 between 9.00am and 4.00pm; and
- Saturday 15th March 2025 between 8.00am and 9.00am.

6.2 Scrutineering Audit Inspection:

For all classes, with the exception of the Super Trucks, the Scrutineering Audits will run simultaneously with Documentation and will take place in the Scrutineering Shed at Teretonga Park. Competitors may be advised at documentation if their vehicle has been selected for audit.

7. POSTPONEMENT, CANCELLATION, ABANDONMENT & ORGANISERS' RIGHTS:

Pursuant to national Sporting Code Article 13, the organisers advise that if less than 60 entries are received by the entry closing date the meeting may be postponed or cancelled.

Should there be less than 12 entries received for any class proposed in Article 3 of these Supplementary Regulations by the entry closing date, the organisers reserve the right to cancel that class or amalgamate it with another class at their sole discretion.

8. ELIGIBILITY

Those Registers/Series that have Motorsport New Zealand Championship or Accredited Series status will have the full powers of the Motorsport New Zealand Rulebook for Championship/Accredited Series. Other Classes must comply with Schedule A.

9. PASSENGER RIDES (HOT LAPS)

If time allows, the organisers may allocate time at the conclusion of testing on Friday to allow for Passenger Rides. Only drivers and vehicles entered in the race meeting will be allowed to take part in the rides session and drivers must have completed documentation and scrutineering. Please let the scrutineers know that you will be using your vehicle for passenger rides.

Drivers are to report to the CRO's Office between 2.00pm and 3.00pm on Friday 14th March 2024 to complete, sign and collect their Passenger Indemnity Form and Passenger Identification Wrist Band. Passenger indemnity forms must be returned to the CRO's Office prior to meeting rides commencing.

Meeting Rides will be conducted in accordance with the current New Zealand Motorsport Manual, Appendix Four, Schedule Z, Article 24.4

10. TIMEKEEPING / RESULTS

All results will be electronically timed using the MyLaps X2 Timing System, therefore all competing vehicles must have a compliant MyLaps or AMB TranX transponder fitted for all qualifying sessions and races.

Competitors with their own AMB transponder need to advise their transponder number in the appropriate space on the entry form. Competitors who do not have an AMB transponder will need to hire one at an additional cost of \$30.00.

Results of all practise, qualifying sessions and races will be available to competitors from the Race Secretary's Office. Starting Grids for all races will be posted on the Official Notice Board outside the Race Secretary's Office.

11. CIRCUIT SIGNALLING SYSTEM

As per Appendix Four Schedule Z Article 14 of the current MotorSport New Zealand Manual, Drivers will be signalled by Alitrax Flag Point Lights at Flag Points 1, 3, 4 and 5, and by Flags at Flag Points 2 and 6 when in use.

The lights will have the meanings as indicated in Schedule Z Article 14.3 and its Addenda.

Start lights, Flags and Signal Boards will continue to be used at the Start/Finish Line.

In the event that the flag point lights fail, all points will revert to flags.

The Alitrax MegaViz Screen, alongside the Start Lights, will be used in conjunction with flag signals and boards to communicate messages, penalties and warnings to Drivers.

12. FUEL HANDLING & STORAGE

Fuel will not be available at the circuit.

AvGas is available from Southern Wings, Monday to Friday 8.30am to 5.00pm. Please contact their office on 03 2186171 prior to arriving to check that someone is on site.

100 Octane Unleaded fuel is available from NPD in either North Road or Bond Street, Invercargill. Please note that this is not a MSNZ approved fuel.

Fuel storage and handling shall be the competitor's responsibility. Competitors are reminded that they are required to be familiar with the MotorSport New Zealand Code of Practice for Motorsport Fuel – Storage and Handling.

A secure bunded container may be available to Competitors for fuel storage only.

13. PODIUM PRESENTATIONS

Presentations will be made to the overall 1st, 2nd and 3rd placed competitor for each class at the conclusion of racing on Sunday in front of the Race Secretary's office. Class co-ordinators are required to collate their results and bring them to the Race Secretary's office as soon as practicable after your final race.

14. SUPERTRUCKS NON CHAMPIONSHIP FLYING FAREWELL

15. TERETONGA ONE HOUR RACE

Open to all 'Closed' Saloons, Closed GT variants and Closed Sports Cars, all of series production manufacture.

Competitors already entered in the meeting are welcome to enter the One Hour Race for an additional fee of \$50.00 per car. Please indicate on the entry form if you intend to enter. Please note that if you choose to have a second driver, this person must enter, or already be entered, for the race meeting and have paid the appropriate entry fee.

Compulsory Pit Stop

During the race there is a compulsory pit stop to take place between ten and fifty minutes of the race duration.

During this pit stop either:

- a) a driver change is to be made; or
- b) the driver must exit the car, complete a full circuit of the car, and re-enter via the driver's door.

The engine may be kept running during the procedure. Only when the safety belts are fastened may the vehicle proceed out of the pit lane, awaiting the starter's signal to re-join the race.

All competing vehicles shall make at least one pit stop during the race. This stop is not permitted under red flag conditions.

Red Flag

During a red flag situation, no vehicle may be worked on in pit lane or Parc Ferme. Any vehicle removed from pit lane must be removed to Parc Ferme, unless withdrawing from the race.

Re-Fuelling

If it is necessary to re-fuel a vehicle during the race, the following type of equipment is authorised –

- a) Hand held containers; or
- b) Dry break hand held containers; or
- c) Sealed drums of 50 litre maximum capacity with hand operated pump; or
- d) Overhead (gravity fed) refuelling system with Dry Break Connectors.

All vehicles (except those using 'dry-break' systems) must stop their engines for the duration of the refuelling process. No other work may be performed on the race car during the refuelling process unless a dry break refuelling system is used.

The amount of fuel stored in or immediately adjacent to the pit lane must not exceed the capacity of the vehicle's fuel tank. Each pit must be equipped with an operable fire extinguisher of at least 5kg capacity. Any spilled fuel must be mopped up prior to leaving the pit and re-joining the race.

The re-fuelling crew must wear fire resistant overalls, gloves and balaclavas.

Pits

The sharing of pit and re-fuelling crews is permitted.

A maximum of four service crew and two drivers are permitted in the pit lane at any one time with each car. A maximum of two of these pit crew members shall be designated the "Re-fuelling Crew".

Each team pit area shall have a Dedicated Fire Marshal wearing fire-proof overalls, balaclava, and gloves with a fully serviced operable dry chemical fire extinguisher of minimum capacity of 5kg. This person's sole responsibility is to man the fire extinguisher and this person cannot take part in any other job when refuelling is taking place.

All teams using overhead refuelling systems shall have a dedicated person whose sole responsibility is to operate the self-closing valve. This person shall wear fire-proof overalls, balaclava and gloves and their sole responsibility is to man the overhead rig self-closing valve and this person cannot take part in any other job when refuelling is taking place.

A maximum of two persons per vehicle are allowed in the pit wall signalling area at any one time. The pit wall must be vacated at the start of the race.

Work during Refuelling Process

- Dry Break System: Other work may be performed on the vehicle during the refuelling process.
- Non Dry Break System: No other work may be performed on the vehicle during the refuelling process.

Starts & Grids

Starting positions will be determined by the fastest qualifying time achieved by each vehicle in the practise session and will be a Rolling Start. Number one driver in each team will qualify in the scheduled session.

Safety Car

During any Safety Car period, the pit lane exit will be closed until Safety Car train has passed.

Organiser's Rights

The Organisers reserve the right to inspect, and if necessary, approve all refuelling and safety equipment prior to it being used.

GENERAL INFORMATION

A. Circuit Hire – Testing

The circuit is available for private hire by contacting the Circuit for a schedule of dates, hire conditions and applicable fees.

In support of this meeting a test day will be held on Friday 14th March 2025. Times and cost will be published in Supplementary Regulations Part Two – Acceptance of Entry.

This test day is exclusively for competitors and vehicles entered in this meeting. All competitors who wish to avail themselves of this opportunity must sign the terms and conditions indemnity form at the Secretary's office **before** taking part in any test session and pay the appropriate fee if not included on entry form. No passengers will be allowed during these sessions.

B. Tyres

Old/used tyres are not to be left at the circuit. It is the competitor's responsibility to ensure that all tyres are removed from the property at the end of the event.

C. Insurance Excess

MSNZ levies included in the entry fee provide insurance cover for all MSNZ permitted events, however the excess amount is \$3,500.00. Should Teretonga Park circuit or property be damaged during an event, the competitor(s) responsible will be liable to reimburse Southland Sports Car Club for the damage incurred less the amount recovered from the insurance company.

D. Trailer/Tender Parking

No parking within the working area of the Pit Paddock. Trailer/tender parking is at the south end of the pit paddock only.

E. Food

During the event food will be available from Teretonga Tasties at the Pit end of the Infield Clubrooms.

F. Clubrooms

Our clubrooms will be open at the conclusion of racing each day.

- **Nibble n Natter – Friday 14th March 2025**

At the conclusion of all on track activity on Friday 14th March, we would love for you to join us in the Clubrooms Bar to mull over the days events and ponder what the weekend might bring. Cash Bar will be available and Finger Food will be provided.

G. Advertising

No advertising banners, sales outlets or promotional displays are allowed on the Teretonga circuit without prior approval from the Southland Sports Car Club Inc.

H. Towing

No responsibility will be accepted by the Southland Sports Car Club Inc. or the Tow Truck operators, for any damage caused to any race car during any recovery or relocation operation at the meeting. It is the race car owner's responsibility to provide some means of towing and/or lifting, at both front and rear of the car, as per the current New Zealand MotorSport Manual.

I. Health & Safety and General Information

By entering this event, you agree that you and your support team will comply with the Health & Safety at Work Act 2015.

All sealed roads in the Pit Area must be kept clear at all times for emergency vehicles.

Fire Extinguishers will be located at each end of the Scrutineering Shed between roller doors. If used, please report it to the Race Secretary's office as soon as possible.

When called to the Assembly Area, please enter through the end gate and assemble in rows.

Children under 14 years of age in the enclosed Pit Area must be under parental control, are prohibited from riding bicycles, scooters or driving vehicles in the Pit Area and will not be admitted to Pit Lane.

Animals are not permitted within the confines of the grounds.

The Pit Paddock, including Pit Lane, Assembly Area and Scrutineering Shed, has been designated as a No Smoking area.
