secondary fermentation took place in  
pressurized tank - charmat style

3.25 PH, 7.9 g/L TA, 12.5 % ALC, 9.4 g/L RS

### Tasting Notes

Sparkling Grüner Veltliner is a unique and refreshing wine that offers a delightful twist on the traditional still version of this grape variety. On the nose, you can expect vibrant aromas of green apple, citrus zest, and white flowers, with a hint of minerality. The bubbles add a lively effervescence to the wine, enhancing its crisp and refreshing character. On the palate, you'll taste flavors of green pear, lemon, and a touch of white pepper, with a zesty acidity that makes it perfect for pairing with a variety of dishes. The finish is clean and invigorating, leaving you with a lingering sense of brightness. Cheers!

### Aging Potential
