

Surface Analysis 24/PNWAVS Symposium

Chemical Imaging and Analysis Workshop

AUGUST 6, 2024

DISCOVERY HALL
PACIFIC NORTHWEST NATIONAL LAB
RICHLAND, WA 99354

Full day Chemical Imaging and Analysis Workshop will be held as part of the Surface Analysis 24 and PNWAVS Conference. The workshop will cover XPS, FIB/SEM, STEM, and APT, as well as laboratory tours. The workshop will provide specialized insights into the "air-free" transfer of samples between instruments. Join us to attend invited talks by speakers from industry, academia, and national lab.

To encourage student participation, the PNWAVS will subsidize the hotel accommodations of up to 30 students who have registered for the workshop and conference.
